Dear Stockholder:

You are cordially invited to attend a special meeting of the stockholders (the "*Special Meeting*") of Entasis Therapeutics Holdings Inc., a Delaware corporation ("*Entasis*," the "*Company*," "*we*," "*our*" or "*us*"). The Special Meeting will be held on June 10, 2020 at 10:00 a.m. Eastern Time and will be held in a completely virtual format. There will not be a physical location for the Special Meeting. In light of public health concerns regarding the coronavirus outbreak (COVID-19), we are, due to health and safety concerns, holding our Special Meeting virtually. You may attend, vote and submit questions during the Special Meeting via the Internet at www.meetingcenter.io/217277171 using the password ETTX2020.

On April 12, 2020, the Company entered into a securities purchase agreement (the "*Purchase Agreement*") with Innoviva, Inc. ("*Innoviva*"), pursuant to which the Company agreed to issue and sell to Innoviva, in a private placement (the "*Private Placement*"), up to 14,000,000 newly issued shares (the "*Shares*") of our common stock, par value \$0.001 (the "*Common Stock*"), and warrants (the "*Warrants*") to purchase up to 14,000,000 shares of Common Stock, with an exercise price per share of \$2.50. The Purchase Agreement provides for the sale of the Shares and Warrants to Innoviva in units, each consisting of one Share and one Warrant, for a per unit price of \$2.50. The Warrants will be immediately exercisable and expire five years from the date of issuance.

The Private Placement is occurring in two tranches. The closing of the first tranche (the "*First Closing*", and the issuance of Shares in the First Closing, the "*First Placement*") occurred on April 22, 2020, at which time Innoviva purchased 1,322,510 shares of Common Stock and 1,322,510 Warrants, in exchange for an aggregate gross purchase price of approximately \$3.3 million.

At the closing of the second tranche (the "*Second Closing*", and the issuance of Shares in the Second Closing, the "*Second Placement*"), subject to satisfaction of certain closing conditions, including the Company's stockholders voting in favor of the transaction at this Special Meeting, Innoviva will purchase 12,677,490 shares of Common Stock and Warrants to purchase 12,677,490 shares of Common Stock for an aggregate purchase price of approximately \$31.7 million.

In addition, the Purchase Agreement provides that prior to the consummation of the Second Closing, Entasis will effect an amendment to its Amended and Restated Certificate of Incorporation (the "*Charter*") to renounce any interest or expectancy of the Company in, or in being offered an opportunity to participate in, any business opportunity that is presented to its directors, officers or stockholders (the "*Corporate Opportunities Amendment*").

At the Special Meeting, you will be asked to consider and vote on a proposal to approve the issuance of securities in the Second Placement, which, combined with the First Placement, would result in a "change of control" of the Company under the applicable rules of the Nasdaq Stock Market LLC ("*Nasdaq*"). If the Second Placement is approved by our stockholders, following the Second Closing, Innoviva will become our largest stockholder, owning approximately 51.3% of our Common Stock, assuming no exercise of the Warrants, and if Innoviva exercises the Warrants in their entirety, it will own approximately 67.8% of our Common Stock.

In addition, at the Special Meeting, you will be asked to consider and vote on a proposal to permit the Company to effect the Corporate Opportunities Amendment.

The proxy statement attached to this letter provides you with more specific information concerning the Special Meeting, the Purchase Agreement, the transactions contemplated by the Purchase Agreement, including the Private Placement and the Corporate Opportunities Amendment, and other related matters, including information as to how to cast your vote. **The Company encourages you to read the entire proxy statement, the copy of the Purchase Agreement attached as Annex A to the proxy statement, and the other annexes to the proxy statement carefully and in their entirety.**

Stockholders of record at the close of business on April 27, 2020 will be entitled to notice of and to vote at the Special Meeting or at any adjournment or postponement thereof. You may attend and participate in the Special Meeting virtually via the Internet at www.meetingcenter.io/217277171 using the password ETTX2020 where you will be able to vote electronically and submit questions during the meeting. You will be able to vote electronically and submit questions during the Special Meeting only if you use your control number, which will be included in your proxy materials, to log on to the meeting.

Your vote is important. Whether or not you plan to attend the Special Meeting, we hope you will vote as soon as possible. You may vote over the Internet, by telephone or, if you receive a paper proxy card by mail, by completing and returning the proxy card or voting instruction form mailed to you. Please carefully review the instructions on each of your voting options described in this proxy statement, as well as in the notice you received in the mail.

On behalf of the Board of Directors and the employees of Entasis, we thank you for your continued support and look forward to seeing you at the Special Meeting.

Sincerely,

/s/ MANOUSSOS PERROS, PH.D.

PROXY STATEMENT FOR THE SPECIAL MEETING OF STOCKHOLDERS TO BE HELD ON JUNE 10, 2020

GENERAL INFORMATION

This proxy statement, the annexes hereto and related materials (collectively, this "*Proxy Statement*") is being furnished in connection with the solicitation of proxies by the Board of Directors (the "*Board*") of Entasis Therapeutics Holdings Inc. ("*Entasis*," the "*Company*," "*we*," "*our*" or "*us*"), for use at our special meeting of stockholders (including any adjournments or postponements thereof, the "*Special Meeting*") to be held virtually on June 10, 2020 at 10:00 a.m. Eastern Time.

On April 12, 2020, the Company entered into a securities purchase agreement (the "*Purchase Agreement*") with Innoviva, Inc. ("*Innoviva*"), pursuant to which the Company agreed, subject to the satisfaction of certain conditions, to issue and sell to Innoviva, in a private placement (the "*Private Placement*"), up to 14,000,000 newly issued shares (the "*Shares*") of our common stock, par value \$0.001 (the "*Common Stock*"), and warrants (the "*Warrants*") to purchase up to 14,000,000 shares of Common Stock, with an exercise price per share of \$2.50. The Purchase Agreement provides for the sale of the Shares and Warrants to Innoviva in units, each consisting of one Share and one Warrant, for a per unit price of \$2.50. The Warrants will be immediately exercisable upon issuance and expire five years from the date of issuance.

The Private Placement is occurring in two tranches. The closing of the first tranche (the "*First Closing*", and the issuance of Shares in the First Closing, the "*First Placement*") occurred on April 22, 2020, at which time Innoviva purchased 1,322,510 shares of Common Stock and 1,322,510 Warrants, in exchange for an aggregate gross purchase price of approximately \$3.3 million.

At the closing of the second tranche (the "*Second Closing*", and the issuance of Shares in the Second Closing, the "*Second Placement*"), subject to satisfaction of certain closing conditions, including the Company's stockholders voting in favor of the transaction at this Special Meeting, Innoviva will purchase 12,677,490 shares of Common Stock and Warrants to purchase 12,677,490 shares of Common Stock for an aggregate purchase price of approximately \$31.7 million.

In addition, the Purchase Agreement provides that prior to the consummation of the Second Closing, Entasis will effect an amendment to its Amended and Restated Certificate of Incorporation (the "*Charter*") to renounce any interest or expectancy of the Company in, or in being offered an opportunity to participate in, any business opportunity that is presented to its directors, officers or stockholders (the "*Corporate Opportunities Amendment*").

At the Special Meeting, you will be asked to consider and vote on a proposal to approve the issuance of securities in the Second Placement, which, combined with the First Placement, would result in a "change of control" of the Company under the applicable rules of the Nasdaq Stock Market LLC ("*Nasdaq*"). If the Second Placement is approved by our stockholders, following the Second Closing, Innoviva will become our largest stockholder, owning approximately 51.3% of our Common Stock, assuming no exercise of the Warrants, and if Innoviva exercises the Warrants in their entirety, it will own approximately 67.8% of our Common Stock.

In addition, at the Special Meeting, you will be asked to consider and vote on a proposal to permit the Company to effect the Corporate Opportunities Amendment.

This Proxy Statement summarizes the information you need to know in order to vote on the proposals to be considered at the Special Meeting in an informed manner.

We urge you to read carefully the remainder of this Proxy Statement because the information in this section may not provide all the information that you may consider important in determining how to vote your shares at the Special Meeting.

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND THE SPECIAL MEETING

The following questions and answers address questions you may have regarding the Special Meeting. Please refer to the more detailed information contained elsewhere in this Proxy Statement, the annexes to this Proxy Statement and the documents referred to and/or incorporated by reference in this Proxy Statement, which you should read carefully in their entirety, as well as any amendments thereto or other related documents filed with the Securities and Exchange Commission (the "SEC"). You may obtain the information incorporated by reference in this Proxy Statement without charge by following the instructions under "Where You Can Find Additional Information" beginning on page 22 of this Proxy Statement.

Why am I receiving this Proxy Statement?

The Board is inviting you to vote at the Special Meeting, including any adjournments or postponements of the Special Meeting, because you were a stockholder of record at the close of business on the Record Date and are entitled to vote at the Special Meeting.

This Proxy Statement, along with the accompanying Notice of Special Meeting of Stockholders, summarizes the information you need to know to vote by proxy or in person at the Special Meeting. The following are answers to certain questions that you may have regarding the Special Meeting. You are invited to virtually attend the Special Meeting to vote on the proposals described in this Proxy Statement. However, you do not need to attend the Special Meeting to vote your shares. Instead, you may simply follow the instructions below to submit your proxy.

When is the Special Meeting?

The Special Meeting will be held at 10 a.m. Eastern Time on June 10, 2020.

Where will the Special Meeting be held?

The Special Meeting will be held in a completely virtual format. There will be no physical location for the Special Meeting. You may attend, vote and submit questions during the Special Meeting via the Internet at www.meetingcenter.io/217277171 using the password ETTX2020.

When is the record date for the Special Meeting?

The Board has fixed the record date for the Special Meeting as of the close of business on April 27, 2020 (the "Record Date").

Why are we holding a virtual Special Meeting rather than an in-person Special Meeting?

Due to the emerging public health impact of the coronavirus outbreak (COVID-19) and to support the health and well-being of our employees, directors and stockholders, the Special Meeting will be held in a virtual meeting format only. We have designed our virtual format to enhance, rather than constrain, stockholder access, participation and communication. For example, the virtual format allows stockholders to communicate with us during the Special Meeting so they can ask questions of the Board or management. During the live Q&A session of the Special Meeting, we may answer questions as they come in, to the extent relevant to the business of the Special Meeting, as time permits.

What is the purpose of the Special Meeting?

At the Special Meeting, stockholders will be asked to consider and vote on the following matters:

- Proposal 1: To approve the issuance of securities in the Second Placement, which, combined with the First Placement, would result in a "change of control" of the Company under the applicable rules of Nasdaq (the "*Private Placement Proposal*"); and
- Proposal 2: To approve an amendment to the Charter to renounce any interest or expectancy of the Company in, or in being offered an opportunity to participate in, any business opportunity that is presented to Entasis' directors, officers or stockholders (the "*Corporate Opportunities Amendment*", and such proposal, the "*Charter Amendment Proposal*").

If stockholders approve the Private Placement Proposal, will I be required to sell my Common Stock?

The Private Placement involves the purchase by Innoviva of newly issued shares of our Common Stock and Warrants. You will not be required to sell any of your Common Stock.

If stockholders approve the Private Placement Proposal, will we remain a public company?

Whether or not the Private Placement Proposal is approved, we will continue to remain a public company, with our shares listed for trading on Nasdaq and the requirement to file our annual reports (including the audited financial statements contained therein) and other reports with the SEC.

What is the effect to us and our other stockholders of having Innoviva as our largest stockholder?

Because of Innoviva's significant ownership of our Common Stock, any transaction or arrangement between us, on the one hand, and Innoviva or any of its affiliates, on the other hand, will need to be approved by the Board consistent with its fiduciary duties to all of our stockholders. This will entail full disclosure of any such transaction or arrangement to the Board, as well as separate approval by the Nominating and Corporate Governance Committee of the Board, which is currently composed solely of the independent directors. In addition, relationships, transactions or other arrangements between us and Innoviva and/or its affiliates must be disclosed by us in our filings with the SEC.

Following the Second Closing of the Private Placement, Innoviva will be Entasis' largest stockholder and it would own a majority of the outstanding shares of Common Stock and Entasis would be treated as a "controlled company" under the rules of Nasdaq. As a controlled company, our Compensation Committee and Nominating and Corporate Governance Committee would no longer be required to be composed solely of independent directors. Under the rules of Nasdaq and the SEC, our Audit Committee must continue to be composed solely of independent directors, regardless of whether or not Entasis is a controlled company. In addition, if Innoviva owns a majority of our Common Stock, it will have sufficient votes to elect all of our directors and to approve any other corporate action requiring the affirmative vote of holders of a majority of our outstanding shares of Common Stock.

Does the Board recommend stockholder approval of the Private Placement Proposal?

After careful consideration, the Board determined that the Purchase Agreement and the transactions contemplated thereby, including the Private Placement and the Corporate Opportunities Amendment, are advisable and in the best interests of the Company and its stockholders.

Accordingly, the Board unanimously recommends that our stockholders vote:

- "**FOR**" Proposal 1, the Private Placement Proposal; and
- "**FOR**" Proposal 2, the Charter Amendment Proposal.

What factors did the Board consider and what were its reasons for approving the Purchase Agreement and recommending that the stockholders approve the Private Placement Proposal?

After careful consideration, the Board determined that the Purchase Agreement and the transactions contemplated thereby, including the Private Placement and the Corporate Opportunities Amendment, are advisable and in the best interests of the Company and its stockholders, and determined to recommend that our stockholders approve the Private Placement Proposal and the Charter Amendment Proposal. For information regarding the factors the Board considered in making this determination, please refer to the disclosures set forth under the caption "*Proposal 1—Private Placement Proposal—Factors Considered by the Board in its Recommendation.*"

How do I attend the Special Meeting?

You may attend the virtual Special Meeting only if you were a stockholder as of the close of business on the Record Date, or if you hold a valid proxy for the Special Meeting. To attend online and participate in the Special Meeting, stockholders of record will need to use their control number provided upon registration to log into www.meetingcenter.io/217277171 using the password ETTX2020. Beneficial owners will also need to use their control number provided upon registration to attend the virtual Special Meeting. Instructions should also be provided on the voting instruction card provided by the beneficial owner's broker, bank, or other nominee.

The Special Meeting will begin promptly on at 10:00 a.m. Eastern Time, on June 10, 2020. We encourage you to access the Special Meeting prior to start time. Please allow time for online check-in, which will begin at 9:45 a.m. Eastern Time.

Who can vote at the Special Meeting?

Only stockholders of record at the close of business on the Record Date will be entitled to vote at the Special Meeting. On the Record Date, there were 14,614,073 shares of our Common Stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on the Record Date, your shares were registered directly in your name with our transfer agent, Computershare Trust Company, N.A. ("*Computershare*"), then you are a stockholder of record. As a stockholder of record, you may attend and vote virtually at the Special Meeting, vote by proxy over the telephone or through the Internet, or vote by proxy using a proxy card that you may request or that we may elect to deliver at a later time. Whether or not you plan to attend the Special Meeting, we urge you to vote by proxy to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Nominee

If on the Record Date, your shares were held, not in your name, but rather in an account of a broker, bank, or other nominee, then you are the beneficial owner of shares held in street name. The broker, bank or other nominee holding your account is considered to be the stockholder of record for purposes of voting at the Special Meeting. As a beneficial owner, you have the right to direct your broker, bank or other nominee regarding how to vote the shares in your account. You are also invited to attend the Special Meeting. However, since you are not the stockholder of record, you may not vote your shares virtually at the Special Meeting unless you request and obtain a valid proxy from your broker, bank or other nominee.

How do I vote?

If you are a stockholder of record and your shares are registered directly in your name, you may vote:

- **By Internet.** To vote through the Internet, go to www.investorvote.com/ETTX+Special+Meeting to complete an electronic proxy card. You will be asked to provide the company number and control number located in your proxy materials.
- **By Telephone.** Call (800) 652-8683 toll-free from the U.S., U.S. territories and Canada, and follow the instructions on your proxy card. You will be asked to provide your control number from the proxy card. Your telephone vote must be received by 1:00 a.m., Eastern Time on June 10, 2020 to be counted.
- **By Proxy Card.** Complete and mail the proxy card, which you may have received by mail, and return it promptly in the envelope provided. If you return your signed proxy card to us before the Special Meeting, we will vote your shares as you direct.
- **Virtually at the Special Meeting.** Registered holders may vote during the Special Meeting via the Internet by going to www.meetingcenter.io/217277171, entering in the meeting password ETTX2020, clicking on the "Cast Your Vote" link and entering the control number located in your proxy materials, or, if you received a printed copy of the proxy materials, on your proxy card to be able to vote during the Special Meeting via the Internet. Even if you plan to attend the Special Meeting virtually, we recommend that you also submit your proxy card or voting instruction card as described herein so your vote will be counted if you later decide not to attend the Special Meeting.

If your shares of common stock are held in street name (i.e., held for your account by a broker, bank or other nominee), you should have received a notice containing voting instructions from that organization rather than from us. You should follow the instructions in the notice to ensure your vote is counted. To vote at the Special Meeting, you must obtain a valid proxy from your broker, bank or other nominee. Follow the instructions from your broker, bank or other nominee or contact your broker, bank or other nominee to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of Common Stock you owned as of the close of business on the Record Date.

What happens if I do not vote?

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record and do not vote through the Internet, by completing your proxy card, by telephone or virtually at the Special Meeting, your shares will not be voted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you do not give instructions to your broker, bank or other nominee, they can still vote your shares with respect to certain "discretionary" items, but they cannot vote your shares with respect to certain "non-discretionary" items. The Private Placement Proposal and the Charter Amendment Proposal are considered "non-discretionary" items. Any shares for which you do not provide instructions to your brokerage firm regarding how to vote will be counted as "broker non-votes." Broker non-votes are shares which are held in street name by a broker, bank or other nominee which indicates on its proxy that it does not have or did not exercise discretionary authority to vote on a particular matter. In tabulating the voting results, shares that constitute broker non-votes will have no

effect on the outcome of the Private Placement Proposal assuming that a quorum is present and will have the same effect as a vote "Against" the Charter Amendment Proposal.

Please provide voting instructions to your broker, bank or other nominee regarding the Private Placement Proposal and the Charter Amendment Proposal so that your vote can be counted.

What are "broker non-votes"?

As discussed above, when a beneficial owner of shares held in street name does not give instructions to the broker, bank or other nominee holding the shares as to how to vote on matters deemed to be "non-routine," the broker, bank or other nominee cannot vote the shares. These unvoted shares are "broker non-votes." The Private Placement Proposal and the Charter Amendment Proposal are considered to be "non-routine" and we therefore expect broker non-votes to exist in connection with these proposals.

What if I return a proxy card or otherwise vote but do not make specific choices?

If you return a signed and dated proxy card or otherwise vote without marking your voting selections, your shares will be voted, as applicable: "For" the Private Placement Proposal and "For" the Charter Amendment Proposal.

Do stockholders have any dissenters' right with regards to the matters proposed to be acted upon?

There are no rights of appraisal or other similar rights of dissenters under the laws of the State of Delaware with respect to any of the matters proposed to be acted upon herein.

Are any of the Company stockholders already committed to vote in favor of the proposals?

Yes. As of the Record Date, the Company had obtained voting agreements from certain stockholders representing 55.1% of the outstanding shares of Common Stock, which outstanding shares of Common Stock include shares held by Innoviva as of the date hereof. Pursuant to the voting agreements, such stockholders have agreed to vote their shares of Common Stock in favor of the Private Placement Proposal and Charter Amendment Proposal, subject to the terms and conditions in the voting agreements. For additional information, please refer to the disclosures set forth under the caption "*Proposal 1—Private Placement Proposal*."

What happens if I sell my shares of Common Stock before the Special Meeting?

The Record Date for stockholders entitled to vote at the Special Meeting is earlier than the date of the Special Meeting. If you transfer your shares of Common Stock after the Record Date but before the Special Meeting, you will, unless special arrangements are made to confer the voting rights with respect to such shares to the transferee, retain your right to vote at the Special Meeting.

Who is paying for this proxy solicitation?

We will pay the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We will also reimburse brokers, banks, custodians, other nominees and fiduciaries for forwarding these materials to their principals to obtain the authorization for the execution of proxies.

Can I change my vote or revoke my proxy after submission?

Stockholder of Record: Shares Registered in Your Name

Yes. If you are the stockholder of record for your shares, you may revoke your proxy at any time before the final vote at the Special Meeting in one of the following ways:

- by notifying our Secretary in writing at 35 Gatehouse Drive, Waltham, Massachusetts 02451 that you are revoking your proxy;
- by submitting another properly completed proxy with a later date;
- by transmitting a subsequent vote over the Internet until closing of the voting polls at the Special Meeting;
- by telephone prior to 1:00 a.m. Eastern Time on June 10, 2020; or
- by attending the Special Meeting and voting virtually.

Your last vote, whether prior to or at the Special Meeting, is the vote that we will count.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Nominee

If your shares are held in street name, you must contact your broker, bank or other nominee for instructions as to how to change your vote. Your attendance at the Special Meeting does not revoke your proxy. Your last vote, whether prior to or at the Special Meeting, is the vote that we will count.

What vote is required to approve the Private Placement Proposal and Charter Amendment Proposal and how are votes counted?

Proposal	Board Recommendation	Vote Required	Broker Discretionary Voting Allowed?
Proposal 1: To approve the Private Placement Proposal	FOR	Majority of shares present in person or represented by proxy	No
Proposal 2: To approve the Charter Amendment Proposal	FOR	Majority of the outstanding Common Stock entitled to vote thereon at the close of business on the Record Date	No

Majority of shares present in person or represented by proxy means that the Private Placement Proposal must receive an affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the Private Placement Proposal to be approved. Abstentions will have the same effect as an "Against" vote. Broker non-votes, if any, will not be counted "For" or "Against" the Private Placement Proposal and will have no effect on the outcome of the Private Placement Proposal.

Majority of the outstanding Common Stock entitled to vote thereon at the close of business on the Record Date means that the Charter Amendment Proposal must receive an affirmative vote of the

holders of a majority of the outstanding Common Stock entitled to vote for the Charter Amendment Proposal to be approved. Abstentions and broker non-votes will have the same effect as a vote "Against" the Charter Amendment Proposal.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote are present at the Special Meeting in person or represented by proxy. On the Record Date, there were 14,614,073 shares of Common Stock outstanding and entitled to vote. Thus, the holders of 7,307,037 shares must be present in person or represented by proxy at the Special Meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote virtually at the Special Meeting. Abstentions, if any, will be counted towards the quorum requirement. If there is no quorum present, the holders of a majority of shares present at the meeting in person or represented by proxy may adjourn the meeting to another date.

Could other matters be decided at the Special Meeting?

The Board knows of no other matters that will be presented for consideration at the Special Meeting. PROPOSAL 1—PRIVATE PLACEMENT PROPOSAL

Overview

As previously disclosed, on April 12, 2020, the Company entered into the Purchase Agreement with Innoviva, pursuant to which the Company agreed to issue and sell to Innoviva, in the Private Placement, up to 14,000,000 newly issued Shares and Warrants to purchase up to 14,000,000 shares of Common Stock, with an exercise price per share of \$2.50. The Purchase Agreement provides for the sale of the Shares and Warrants to Innoviva in units, each consisting of one Share and one Warrant, for a per unit price of \$2.50. The Warrants will be immediately exercisable upon issuance and expire five years from the date of issuance.

The Private Placement is occurring in two tranches. The First Closing and the First Placement occurred on April 22, 2020, at which time Innoviva purchased 1,322,510 shares of Common Stock and 1,322,510 Warrants, in exchange for an aggregate gross purchase price of approximately \$3.3 million.

At the Second Closing and Second Placement, subject to satisfaction of certain closing conditions, including the Company's stockholders voting in favor of the issuance of securities in the Private Placement at this Special Meeting, Innoviva will purchase 12,677,490 shares of Common Stock and Warrants to purchase 12,677,490 shares of Common Stock for an aggregate purchase price of approximately \$31.7 million.

We are asking our stockholders to consider and vote on a proposal to approve the issuance of securities in the Second Placement, which, combined with the First Placement, would result in a "change of control" of the Company under the applicable rules of Nasdaq. If the Second Placement is approved by our stockholders, following the Second Closing, Innoviva will become our largest stockholder, owning approximately 51.3% of our Common Stock, assuming no exercise of the Warrants, and if Innoviva exercises the Warrants in their entirety, it will own approximately 67.8% of our Common Stock. In addition, we are asking our stockholders to consider and vote on a proposal to permit the Company to effect the Corporate Opportunities Amendment.

The approval of the proposals to be voted on at this Special Meeting is critical in order to fully execute the Company's financing transaction with Innoviva and to provide the Company with additional financial flexibility with respect to future issuances of equity.

The terms of the Purchase Agreement and the Private Placement were previously reported in the Current Reports on Form 8-K filed by the Company on April 13, 2020 and April 22, 2020. The Private Placement was approved by the Board on April 12, 2020. The Board determined that the Private Placement was advisable and in the best interest of the stockholders of the Company, and determined to recommend that the stockholders approve the Private Placement, for a number of reasons, which are summarized below. In reaching its determination, the Board also considered potential alternate financing sources and the risks that would be involved with delaying the Private Placement given the Company's current cash position.

Factors Considered by the Board in its Recommendation

After careful consideration, the Board determined that the Purchase Agreement and the transactions contemplated thereby, including the Private Placement and the Corporate Opportunities Amendment, are advisable and in the best interests of the Company and its stockholders, and determined to recommend that our stockholders approve the Private Placement.

In evaluating the Purchase Agreement and the transactions contemplated thereby, including the Private Placement and the Corporate Opportunities Amendment, the Board consulted with members of the Company's senior management and its legal and financial advisors, among others, and considered a

number of factors, including, but not limited to, the following material factors (not necessarily in order of relative importance):

- The value of Innoviva as a principal stockholder and potential "guiding partner" in helping the Company maintain a sustainable antibiotic business;
- The recent pressures faced by the antibiotics sector in-part due to recent bankruptcy filings of companies operating in this sector;
- The recent performance of the Company's stock price listed on Nasdaq and the capital markets as a whole due to COVID-19;
- The immediate benefit to the Company's financial condition of receiving approximately \$35.0 million in cash from the sale of the Shares and Warrants, including advancement of its preclinical and clinical programs, in light of the Company's current cash position and liquidity needs;
- The Company management's analysis of potential alternative sources of capital, including public or private sales of Common Stock, warrants, or convertible or nonconvertible debt securities and the likely price and other terms and conditions of such sales, which revealed significant cost of such financing, assuming it could be obtained, to the Company and the associated significant dilution to its stockholders, which sources of capital the Board determined were unlikely to be available to the Company and, in any event, if available would be substantially less favorable to the Company than pursuing the Private Placement;
- The Company's extensive exploration, including through its financial advisors, of opportunities for strategic partnership and/or investment, based on which the Board believes that the Private Placement offers the best opportunity with greatest financial benefit and likelihood of successful development of its preclinical and clinical programs, including the risks that any such anticipated benefits could ultimately not materialize;
- The fact that, as a condition to the closing of the Second Placement and the transactions contemplated by the Purchase Agreement, the Second Placement and the Corporate Opportunities Amendment must be approved by our stockholders;
- The terms and conditions of the Purchase Agreement, including, among other things, the representations, warranties, covenants and agreements of the parties, the conditions to closing, the form and governance of the Company post-closing and the termination rights of the parties that were conditions to Entasis agreeing to enter into the Private Placement, and, taken as a whole, the Board determined were advisable to, and the best available option for, the Company and its stockholders;
- Restrictions under the Purchase Agreement on the Company's ability to operate its business outside of the ordinary course and taking certain other enumerated actions until the consummation of the Second Closing; and
- Potential risks associated with Innoviva's significant ownership percentage following the Second Closing, including Innoviva's right to designate two directors on the Board, which will enable Innoviva to affect the outcome of, or exert significant influence over, all matters requiring Board or stockholder approval, including the election and removal of directors and any change in control, and could have the effect of delaying or preventing a change in control of the Company or otherwise discouraging or preventing a potential acquirer from attempting to obtain control of the Company, which, in turn, could have a negative effect on the market price of the Company's Common Stock and could impact the low trading volume and volatility of the Company's Common Stock.

Purchase Agreement and Private Placement

As previously disclosed, on April 12, 2020, the Company entered into a Purchase Agreement with Innoviva, pursuant to which we agreed, subject to the satisfaction of certain conditions, to issue and sell to Innoviva, in a private placement under Nasdaq rules, up to 14,000,000 newly issued Shares and Warrants to purchase up to 14,000,000 shares of Common Stock, with an exercise price per share of \$2.50. Each Share and Warrant will be issued and sold to Innoviva as a unit, for a per unit price of \$2.50. The Warrants will be immediately exercisable upon issuance and expire five years from the date of issuance.

The Private Placement is occurring in two tranches. The First Closing occurred on April 22, 2020 after the satisfaction of certain closing conditions, including obtaining voting agreements from stockholders of the Company representing at least 45% of the outstanding shares of Common Stock. As of the Record Date, Entasis had obtained voting agreements from certain stockholders representing 55.1% of the outstanding shares of Common Stock, which outstanding shares of Common Stock include shares held by Innoviva as of the date hereof. In connection with the First Closing, Entasis issued 1,322,510 shares of Common Stock and Warrants to purchase 1,322,510 shares of Common Stock (which was the maximum number of Shares and Warrants issuable to Innoviva in compliance with any and all applicable laws and without the requirement for the prior receipt of the stockholders' approval under the listing requirements of Nasdaq) in exchange for net proceeds of approximately \$3.3 million.

At the Second Closing, subject to satisfaction of certain closing conditions, including the Company's stockholders voting in favor of the transaction at this Special Meeting, Innoviva will purchase 12,677,490 additional shares of Common Stock and Warrants to purchase 12,677,490 shares of Common Stock for an aggregate purchase price of approximately \$31.7 million.

The Second Closing is expected to occur by the end of the second quarter of 2020, subject to the satisfaction of certain closing conditions referenced above. Following the Second Closing, Innoviva will become our largest stockholder, owning approximately 51.3% of the Company, assuming no exercise of the Warrants, and if Innoviva exercises the Warrants in their entirety, it will own approximately 67.8% of the Company.

The Purchase Agreement contains customary representations and warranties as well as certain operating covenants applicable to the Company until the Second Closing. Pursuant to the Purchase Agreement, if the Second Closing does not occur under specified circumstances, including if the required stockholder approval of the Second Closing is not obtained, the Company will be required to pay Innoviva a termination fee in an amount equal to \$850,000, plus reimbursement of expenses (not to exceed \$250,000).

Description of Warrants

The Warrants issued in the Private Placement are exercisable, in full or in part, at any time prior to the fifth anniversary of their issuance, at an exercise price of \$2.50 per share of Common Stock, subject to customary anti-dilution adjustments in the event of future below market issuances, stock splits, stock dividends, combinations or similar events set forth in the Warrants. The Warrants may be exercised for cash or on a cashless basis. In connection with a change in control transaction, any unexercised Warrants will remain outstanding. Warrant holders are entitled to participate in any dividend or other distribution by the Company to holders of shares of its Common Stock, on an as-exercised basis.

Voting Agreements

In connection with the execution of the Purchase Agreement, certain stockholders entered into voting agreements with Innoviva (the "*Voting Agreements*"), in which they have agreed to vote (or cause

to be voted), in person or by proxy, all shares of Common Stock as to which they control the right to vote, (1) in favor of any proposal to adopt and approve or reapprove the Purchase Agreement and the transactions contemplated thereby, (2) in favor of the Corporate Opportunities Amendment, (3) waiving any notice requirements applicable to the Purchase Agreement or any of the transactions contemplated thereby pursuant to the Company's organizational documents or applicable law, (4) against any action or agreement that would reasonably be expected to prevent or materially delay the consummation of the transactions contemplated by the Purchase Agreement, and (5) against any proposal relating to the acquisition of the Company or its subsidiaries, of greater than 20% of their businesses (whether by merger, stock sale, asset sale, tender offer, exchange offer or otherwise) and any action in furtherance of any such proposal. In addition, the Voting Agreements provide that such stockholders will not sell or transfer any of their shares, subject to certain exceptions, until the earliest to occur of (i) the mutual written consent of Innoviva and the stockholder, (ii) the Second Closing, and (iii) the date of the termination of the Purchase Agreement in accordance with its terms or with the consent of Innoviva (the "*Voting Period*"). The Voting Agreements will terminate automatically upon the end of the Voting Period.

As of the Record Date, Entasis had obtained voting agreements from certain stockholders representing 55.1% of the outstanding shares of Common Stock, which outstanding shares of Common Stock include shares held by Innoviva as of the date hereof.

Investor Rights Agreement

At the First Closing, Innoviva and the Company entered into an investor rights agreement, dated April 22, 2020 (the "*Investor Rights Agreement*"), which, among other things, provides that, for so long as Innoviva and its affiliates hold at least 15% of the outstanding shares of Common Stock on a fully-diluted basis, Innoviva shall have the right to designate two directors to the Board, and, for so long as Innoviva and its affiliates hold at least 8% of the outstanding shares of Common Stock on a fully-diluted basis, Innoviva shall have the right to designate one director to the Board, subject to certain qualifications and conditions in the Investor Rights Agreement. Currently, Innoviva has not exercised this right to designate any directors to the Board. The Investor Rights Agreement also provides for participation rights for Innoviva to participate in future offerings of equity securities by the Company.

Registration Rights Agreement

At the First Closing, the Company entered into a registration rights agreement, dated April 22, 2020 (the "*Registration Rights Agreement*") with Innoviva, pursuant to which, among other things, the Company must prepare and file with the SEC, a registration statement with respect to resales of the shares of Common Stock and Warrants purchased by Innoviva under the Purchase Agreement within 30 days of the First Closing.

The foregoing descriptions of the terms of the Purchase Agreement, the voting agreements, the Investor Rights Agreement and the Registration Rights Agreement are only a summary and are qualified in their entirety by reference to the full text of the Purchase Agreement, form of voting agreement, Investor Rights Agreement and the Registration Rights Agreement, which are attached to this Proxy Statement as [Annex A](#), [Annex B](#), [Annex C](#) and [Annex D](#), respectively.

Why We Need Stockholder Approval

We are seeking stockholder approval in order to comply with Nasdaq Listing Rules 5635(b) and (d).

Under Nasdaq Listing Rule 5635(b), stockholder approval is required prior to the issuance of securities when the issuance or potential issuance will result in a change of control of the Company. This rule does not specifically define when a change in control of a company may be deemed to occur;

however, Nasdaq suggests in its guidance that a change of control would occur, subject to certain limited exceptions, if after a transaction a person or entity will hold 20% or more of a company's pre-transaction total number of outstanding capital stock. Pursuant to the terms of the Purchase Agreement, at the Second Closing of the Private Placement, the Company will issue, and Innoviva will purchase, 12,677,490 shares of Common Stock and Warrants to purchase 12,677,490 shares of Common Stock for an aggregate purchase price of approximately \$31.7 million. Following the Second Closing, Innoviva will become our largest stockholder, owning approximately 51.3% of our Common Stock, assuming no exercise of the Warrants, and if Innoviva exercises the Warrants in their entirety, it will own approximately 67.8% of our Common Stock. If this proposal is approved by the stockholders, the Private Placement will result in a change of control under Nasdaq Listing Rule 5635(b).

Nasdaq Listing Rule 5635(d) requires us to obtain stockholder approval prior to the issuance of securities in connection with a transaction other than a public offering involving the sale, issuance or potential issuance by the Company of Common Stock (or securities convertible into or exercisable for Common Stock) at a price that is lower than the lower of (1) the closing price (as reflected on Nasdaq.com) immediately preceding the signing of the binding agreement or (2) the average closing price of the Common Stock (as reflected on Nasdaq.com) for the five trading days immediately preceding the signing of the binding agreement (such lower number, the "*Nasdaq Minimum Price*"), which alone or together with sales by officers, directors or substantial stockholders of the Company, equals 20% or more of common stock or 20% or more of the voting power outstanding before the issuance. Even if securities are issued at a premium to the then current market price of our Common Stock, this rule will apply if the conversion price is subject to certain types of anti-dilution adjustments. The binding agreement in the case of the First Closing and the Second Closing means the related Purchase Agreement. The closing of the Second Placement, together with the First Placement, will result in the issuance of shares equal to 20% or more of the outstanding common stock of the Company for a price lower than the lower of the Nasdaq Minimum Price.

We are therefore seeking stockholder approval for the sale and issuance of the Shares to occur at the Second Closing and in connection with the Private Placement to satisfy the requirements of Nasdaq Listing Rules 5635(b) and (d).

Dilution and Impact on Existing Stockholders

The issuance of the shares of our Common Stock and Warrants, if exercised, which are the subject of this proposal would have a dilutive effect on current stockholders in that the percentage ownership of the Company held by such current stockholders will decline as a result of the issuance. This means also that our existing stockholders, other than Innoviva, will own a smaller interest in the Company as a result of such issuance and therefore have less ability to influence significant corporate decisions requiring stockholder approval. Issuance of our Common Stock and Warrants pursuant to this proposal could also have a dilutive effect on book value per share and any future earnings per share. Dilution of equity interests could also cause prevailing market prices for our Common Stock to decline.

Following the Second Closing, Innoviva will become our largest stockholder, owning approximately 51.3% of our Common Stock, assuming no exercise of the Warrants, and if Innoviva exercises the Warrants in their entirety, it will own approximately 67.8% of our Common Stock. As a result, Innoviva would be able to significantly influence our management and affairs and matters requiring stockholder approval, including the election of directors and the approval of significant corporate transactions, such as mergers, consolidations or the sale of all or substantially all of our assets, and may not act in the best interests of our other stockholders.

Consequences if Stockholder Approval is Not Obtained

If we do not obtain the requisite stockholder approval of the Private Placement Proposal at the Special Meeting, the Second Closing will not occur and Innoviva will still hold 1,322,510 shares of Common Stock and Warrants to purchase 1,322,510 shares of Common Stock that it purchased in the First Closing. Accordingly, we would be unable to complete the Second Closing and will not receive the additional gross proceeds of approximately \$31.7 million from Innoviva as payment for the additional shares of Common Stock and additional Warrants, and such funds will not be available to pursue the activities described below, substantially limiting our growth potential and we may be unable to continue as a going concern in the near term. Furthermore, we will be required to pay Innoviva a termination fee in an amount equal to \$850,000, plus reimbursement of expenses (not to exceed \$250,000).

Use of Proceeds

The Company intends to use the net proceeds for advancement of clinical and preclinical product candidates and for working capital and general corporate purposes. We may find it necessary or advisable to use the net proceeds for other purposes, and our management will have broad discretion in the application of the net proceeds.

Vote Required

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the matter at the Special Meeting will be required to approve the Private Placement Proposal.

Recommendation of the Board

**THE BOARD UNANIMOUSLY RECOMMENDS
A VOTE "FOR" THE PRIVATE PLACEMENT PROPOSAL**

PROPOSAL 2—APPROVAL OF CHARTER AMENDMENT PROPOSAL

In connection with the Private Placement, Innoviva's obligations under the Purchase Agreement are subject to certain conditions, including amending our Charter to include the Corporate Opportunities Amendment, a provision renouncing, to the fullest extent permitted by applicable law, any interest or expectancy of the Company in, or in being offered an opportunity to participate in, any business opportunities presented to our officers, directors or stockholders. The Board has determined that the Corporate Opportunities Amendment is advisable and in the best interests of the Company and our stockholders, including because Innoviva requires that the Corporate Opportunities Amendment be enacted as a condition to the consummation of the Second Placement, and has adopted, and recommends that our stockholders approve, the Corporate Opportunities Amendment.

Directors and officers of a corporation, as part of their duty of loyalty to the corporation and its stockholders, generally have a fiduciary duty, which may be waived by the corporation, to disclose to the corporation opportunities that are related to its business and are thereby prohibited from pursuing those opportunities unless such corporation determines that it is not going to pursue them. As a result, directors and officers that serve in a fiduciary capacity of multiple entities could become conflicted as to which entity should be presented with any given corporate opportunity. Section 122(17) of the Delaware General Corporation Law ("*DGCL*") expressly permits a Delaware corporation, such as the Company, to include in its certificate of incorporation an advance waiver of corporate opportunities, by renouncing any interest or expectancy of the corporation in, or in being offered an opportunity to participate in, specified business opportunities or specified classes or categories of business opportunities that are presented to the corporation or one or more of its officers, directors or stockholders. The proposed Corporate Opportunities Amendment limits or eliminates such duty to the fullest extent permitted under the *DGCL*.

The Board is requesting your approval of the Corporate Opportunities Amendment because Innoviva's obligation to purchase the full number of Shares and Warrants provided for pursuant to the Purchase Agreement is conditioned on the approval of the Corporate Opportunities Amendment and, if not approved, the Second Closing will not occur and we will not receive the gross proceeds of approximately \$31.7 million from Innoviva as payment for the additional shares of Common Stock and additional Warrants to be issued in the Second Placement.

Effect of the Charter Amendment Proposal

If this proposal is approved, the Corporate Opportunities Amendment will become effective as of the filing and acceptance of a Certificate of Amendment with the Secretary of State of the State of Delaware, which is expected to occur promptly after the Special Meeting.

Our Charter does not currently address the matters referred to in this proposal, and, as such, the Corporate Opportunities Amendment would be added as a new Article IX to our Charter. This description of the proposed Corporate Opportunities Amendment is only a summary and is qualified by reference to the full text of the amendment, which is attached to this Proxy Statement as [Annex E](#).

Vote Required

The affirmative vote of the holders of a majority of the outstanding Common Stock entitled to vote thereon at the close of business on the Record Date will be required to approve the Charter Amendment Proposal.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information known to us regarding the beneficial ownership of our common stock as of (a) April 1, 2020 and (b) assuming stockholder approval of the Private Placement (as described above) at the Special Meeting, by: (i) each of our Named Executive Officers; (ii) each of our directors (including nominees); (iii) all of our executive officers, directors and director nominees as a group; and (iv) each person or entity, or group of affiliated persons or entities, known by us to beneficially own more than 5% of our outstanding common stock.

Information with respect to beneficial ownership is based on information furnished to us by each director, executive officer or stockholder who holds more than 5% of our outstanding common stock, and Schedules 13G or 13D filed with the SEC, as the case may be. Beneficial ownership is determined according to the rules of the SEC and generally means that a person has beneficial ownership of a security if he or she possesses sole or shared voting or investment power of that security, and includes options and warrants that are currently exercisable within 60 days of April 1, 2020. Options to purchase shares of our common stock that are exercisable within 60 days of April 1, 2020, are deemed to be beneficially owned by the persons holding these options for the purpose of computing percentage ownership of that person, but are not treated as outstanding for the purpose of computing any other person's ownership percentage. Except as indicated in the footnotes below, each of the beneficial owners named in the table below has, to our knowledge, sole voting and investment power with respect to all shares of common stock listed as beneficially owned by him or her, except for shares owned jointly with that person's spouse.

We have based our calculation of beneficial ownership on 13,291,563 shares of our common stock outstanding as of April 1, 2020. Unless otherwise indicated, the address for each of the stockholders in

the table below is c/o Entasis Therapeutics Holdings Inc., 35 Gatehouse Drive, Waltham, Massachusetts 02451.

The Company is not aware of any Person that has been or will be paid (directly or indirectly) remuneration for solicitation of Purchaser or other potential purchasers in connection with the sale of the Securities contemplated by this Agreement.

Section 3.34 *No Integrated Offering.* Assuming the accuracy of the Purchasers' representations and warranties set forth in this Agreement, neither the Company, nor any of its Affiliates, nor any Person acting on its or their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would cause this offering of the Securities to be integrated with prior offerings by the Company for purposes of (i) the Securities Act which would require the registration of any such securities under the Securities Act or (ii) any applicable stockholder approval provisions of the NASDAQ Global Market.

Section 3.35 *Regulation M Compliance.* The Company has not, and to its Knowledge no one acting on its behalf has, (i) taken, directly or indirectly, any action designed to cause or to result in the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of any of the Securities, (ii) sold, bid for, purchased, or paid any compensation for soliciting purchases of, any of the Securities, or (iii) paid or agreed to pay to any Person any compensation for soliciting another to purchase any other securities of the Company.

Section 3.36 *Proxy Statement.* None of the information in the Proxy Statement will, on the date it is filed, on the date it is first mailed to the stockholders of the Company and at the time of the Special Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading. The Proxy Statement will, at the time of the Special Meeting, comply as to form in all material respects with the requirements of the Exchange Act and the rules and regulations promulgated thereunder.

Section 3.37 *Specified Contract.* The Contract set forth on Schedule 3.37 has been terminated and is of no further force and effect, with no ongoing liabilities or obligations of the Company, other than customary indemnification and expense reimbursement obligations.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF THE PURCHASER

Purchaser hereby represents and warrants as of the date hereof, as of the First Closing, and as of the Second Closing, as follows:

Section 4.1 *Organization.* Purchaser is a corporation duly incorporated, validly existing and in good standing under the Laws of the State of Delaware.

Section 4.2 *Organizational Power and Authority.* Purchaser has the requisite corporate power and authority to enter into, execute and deliver this Agreement and to perform its obligations hereunder and has taken or will take all necessary corporate action required for the due authorization, execution, delivery and performance by it of this Agreement and the transactions contemplated hereby.

Section 4.3 *Execution and Delivery.* This Agreement has been validly executed and delivered by Purchaser, and, assuming due and valid execution and delivery hereof by the Company, will constitute valid and legally binding obligations of Purchaser, enforceable against Purchaser in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization or other similar

Laws limiting creditors' rights generally or by equitable remedies (regardless of whether enforceability is considered in a proceeding at law or in equity).

Section 4.4 *No Conflict*. The execution and delivery by Purchaser of this Agreement and the consummation of the transactions contemplated hereby (a) will not conflict with, or result in a breach, modification, termination or violation of, any of the terms or provisions of, or constitute a default under (with or without notice or lapse of time or both), or result in the acceleration of, or the creation of any Lien under, any Contract to which Purchaser is party or is bound or to which any of the property or assets of Purchaser are subject, (b) will not result in any violation of the provisions of the certificate of incorporation or bylaws of Purchaser, and (c) will not result in any material violation of any Law or Order applicable to Purchaser or any of its properties, except in each of the cases described in clauses (a) through (c), for any conflict, breach, modification, termination, violation, default, acceleration or Lien which would not reasonably be expected, individually or in the aggregate, to prohibit or materially and adversely impact Purchaser's performance of its obligations under this Agreement.

Section 4.5 *Consents and Approvals*. No consent, approval, authorization, Order, registration or qualification of or with any Governmental Entity having jurisdiction over Purchaser or any of its properties is required for the execution and delivery by Purchaser of this Agreement, the compliance by Purchaser with the provisions hereof and the consummation of the transactions contemplated hereby, except any consent, approval, authorization, Order, registration or qualification which, if not made or obtained, would not reasonably be expected, individually or in the aggregate, to prohibit or materially and adversely impact Purchaser's performance of its obligations under this Agreement.

Section 4.6 *No Registration*. Purchaser understands that (a) the Purchased Common Stock and Purchased Warrants (including any shares of Common Stock issuable upon exercise thereof) have not been registered under the Securities Act by reason of a specific exemption or exclusion from the registration provisions of the Securities Act, the availability of which depends on, among other things, the bona fide nature of the investment intent and the accuracy of Purchaser's representations as expressed herein or otherwise made pursuant hereto and (b) the foregoing securities cannot be sold unless subsequently registered under the Securities Act or an exemption or exclusion from registration is available.

Section 4.7 *Purchasing Intent*. Purchaser is acquiring the Purchased Common Stock and Purchased Warrants (including any shares of Common Stock issuable upon exercise thereof) for its own account or accounts or funds over which it or its Affiliates hold voting or investment discretion, not otherwise as a nominee or agent, and not otherwise with the view to, or for resale in connection with, any distribution thereof not in compliance with applicable securities Laws, and Purchaser has no present intention of selling, granting any other participation in, or otherwise distributing the same, except in compliance with applicable securities Laws.

Section 4.8 *Sophistication; Investigation*. Purchaser has such knowledge and experience in financial and business matters such that it is capable of evaluating the merits and risks of its investment in the Purchased Common Stock and Purchased Warrants (including any shares of Common Stock issuable upon exercise thereof). Purchaser is an "accredited investor" within the meaning of Rule 501(a) of the Securities Act and an "institutional account" within the meaning of Rule 4512 of the Financial Industry Regulatory Authority or a "qualified institutional buyer" within the meaning of Rule 144A of the Securities Act. Purchaser understands and is able to bear any economic risks associated with such investment (including the necessity of holding such shares for an indefinite period of time). Except for the representations and warranties expressly set forth in this Agreement, Purchaser has independently evaluated the merits and risks of its decision to enter into this Agreement and consummate the transactions contemplated hereby.

Section 4.9 *Sufficient Funds*. Purchaser has, or at the applicable Closing will have, sufficient assets and the financial capacity to perform all of its obligations under this Agreement.

Section 4.10 *Bad Actor*. Neither the Purchaser nor any person or entity with whom the Purchaser will share beneficial ownership of the Purchased Common Stock is subject to any of the "Bad Actor" disqualifications described in Rule 506(d)(1)(i) to (viii) under the Securities Act.

Section 4.11 *Disclaimer of Other Representations and Warranties*. Except as expressly set forth in Article III (as qualified by the SEC Documents) or in any other Definitive Document, Purchaser acknowledges that neither the Company nor any other Person has made or is making any representation or warranty of any kind, express or implied, at law or in equity, including with respect to it or any of its Subsidiaries or any of their respective businesses, assets, liabilities, condition (financial or otherwise), prospects or operations, or otherwise, and any such other representations and warranties are hereby expressly disclaimed by the Company. Without limiting the foregoing, Purchaser has received and may continue to receive from the Company certain estimates, projections, forecasts and other forward-looking information, as well as certain business plans and cost-related plan information, regarding the Company, its Subsidiaries and their respective businesses and operations, and Purchaser is making its own evaluation of the adequacy and accuracy of all such estimates, projections, forecasts and other forward-looking information, as well as such business plans and cost-related plan information, and Purchaser has not relied upon and will not have any claim against the Company or any of its Subsidiaries, or any of their respective stockholders, directors, officers, employees, Affiliates, advisors, agents or representatives, or any other Person, with respect thereto.

ARTICLE V

Section 5.2 Pre-Closing Exclusivity. From the date hereof until the earliest of (i) the Second Closing, (ii) the Second Closing Abandonment and (iii) the termination of this Agreement in accordance with Article VIII, (a) the Company shall not, and shall instruct its Affiliates and Representatives not to, directly or indirectly, initiate, solicit, facilitate, encourage, discuss, negotiate, endorse, engage in, enter into or accept any discussions, negotiations, proposals, inquiries, offers or agreements with any Person (other than the Purchaser and its Representatives pursuant to this Agreement) relating to the acquisition of the Company or its Subsidiaries, or greater than 20% of their businesses (whether by merger, stock sale, asset sale, tender offer, exchange offer or otherwise), or relating to the issuance of equity (other than Common Stock as incentive compensation and as permitted pursuant to *Section 5.1(b)*), (collectively, the matters described in this *Section 5.2(a)*, an "*Acquisition Proposal*"), (b) the Company shall, and shall instruct its Affiliates and Representatives to, immediately cease and cause to be terminated all existing discussions or negotiations with any third party (other than the Purchaser and its Representatives relating to this Agreement) conducted by or on behalf of the Company or any of its Subsidiaries on or prior to the date hereof in connection with any other transaction relating to an Acquisition Proposal and (c) the Company shall promptly inform the Purchaser in the event that the Company or any of its Affiliates or Representatives receives any inquiry, proposal or offer that could reasonably be expected to lead to an Acquisition Proposal.

Section 5.3 *[Reserved]*.

Section 5.4 *Stockholder Approval*.

(a) The Company shall use reasonable best efforts to cause the Voting Agreements to be duly executed and delivered to the Purchaser as promptly as practicable following the date hereof.

(b) As promptly as reasonably practicable following the date hereof, the Company shall take all action necessary under applicable Law to call, give notice of, convene and hold a meeting of the stockholders of the Company for the purpose of obtaining the Stockholder Approval (the "*Special Meeting*"). The Company will convene and hold the Special Meeting no later than the thirtieth (30th) day following the mailing of the Proxy Statement to the Company's stockholders. The Company shall take all action necessary under applicable Law to obtain the Stockholder Approval at the Special Meeting, such meeting in no event to be held later than July 31, 2020. The Company shall take reasonable measures to ensure that all proxies solicited in connection with the Stockholder Approval are solicited in compliance with all applicable Law. Notwithstanding anything to the contrary contained herein, if on the date of the Special Meeting, or a date preceding the date on which the Special Meeting is scheduled, the Company reasonably believes that it will not receive proxies sufficient to obtain the Stockholder Approval, the Company may postpone or adjourn, or make one or more successive postponements or adjournments of, the Special Meeting as long as the date of the Special Meeting is not postponed or adjourned more than an aggregate of thirty (30) calendar days in connection with any postponements or adjournments.

(c) As promptly as reasonably practicable after the date hereof, the Company shall prepare and file with the SEC a preliminary proxy statement (as amended and supplemented, the "*Proxy Statement*"), relating to the Special Meeting, which shall include the recommendation of the Board that the stockholders of the Company vote in favor of (i) the adoption and approval of this Agreement and the transactions contemplated herein and in the other Definitive Documents and (ii) the Charter Amendment. The Company shall use its reasonable best efforts to obtain the Stockholder Approval, including using reasonable best efforts to solicit proxies from the Company's stockholders. The Company will cause the Proxy Statement to comply as to form in all material respects with the applicable requirements of the Exchange Act and the rules of the SEC and NASDAQ Global Market. The Company shall not file the Proxy Statement without providing Purchaser a reasonable opportunity to review and comment thereon (which comments shall be reasonably considered by the Company). The Company shall resolve all SEC comments with respect to the Proxy Statement as promptly as practicable after receipt thereof and cause the Proxy Statement in definitive form to be cleared by the SEC and mailed (if required by applicable Law) to the Company's stockholders as promptly as reasonably practicable following filing with the SEC. The Company, prior to responding to SEC comments with respect to the Proxy Statement, will first provide Purchaser and its Representatives a reasonable opportunity to review and comment thereon, and the Company will give due consideration to all reasonable additions, deletions or changes suggested thereto by Purchaser or its Representatives.

(d) Nothing contained in this Agreement shall prohibit the Company or the Board from (i) complying with Rules 14d-9 and 14e-2(a) promulgated under the Exchange Act, or (ii) issuing a "stop, look and listen" communication or similar communication of the type contemplated by Section 14d-9(f) under the Exchange Act or (iii) otherwise making any disclosure to the Company stockholders; *provided, however*, that in the case of the foregoing clause (iii) the Board determines in good faith, after consultation with its outside legal counsel, that failure to make such disclosure would be inconsistent with its fiduciary duties under applicable Law.

Section 5.5 *Registration Rights Agreement*. Simultaneously with the First Closing, the Company and the Purchaser shall enter into the registration rights agreement attached hereto as *Exhibit D* (the

"Registration Rights Agreement"), whereby the Purchaser will be entitled to be named as a "Holder" thereunder (with all attendant rights), to include the Purchased Common Stock, the Purchased Warrants and the Common Stock underlying the Purchased Warrants as "Registrable Securities" thereunder and to provide for the filing and continuous effectiveness of a Shelf Registration Statement (as defined in the Registration Rights Agreement) covering the Purchased Common Stock, the Purchased Warrants and the Common Stock underlying the Purchased Warrants, with such filing to be made no later than 30 days following the First Closing.

Section 5.6 *Integration*. The Company shall not sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that would be integrated with the offer or sale of the Securities in a manner that would require the registration under the Securities Act of the sale of the Securities or that would be integrated with the offer or sale of the Securities for purposes of the rules and regulations of the NASDAQ Global Market such that it would require stockholder approval prior to the closing of such other transaction unless stockholder approval is obtained before the closing of such subsequent transaction.

Section 5.7 *Required Minimum*.

(a) The Company shall maintain a reserve of the Required Minimum from its duly authorized shares of Common Stock for issuance pursuant to this Agreement in such amount as may then be required to fulfill its obligations in full under this Agreement, without regard to any conversion or exercise limits therein.

(b) If, on any date, the number of authorized but unissued (and otherwise unreserved) shares of Common Stock is less than 130% of (i) the Required Minimum on such date, minus (ii) the number of shares of Common Stock previously issued pursuant to this Agreement, then the Board of Directors shall use reasonable best efforts to amend the Certificate of Incorporation to increase the number of authorized but unissued shares of Common Stock to at least the Required Minimum at such time (minus the number of shares of Common Stock previously issued pursuant to the Transaction Documents), as soon as reasonably practicable and in any event not later than the 30th day after such date, provided that the Company will not be required at any time to authorize a number of shares of Common Stock greater than the maximum remaining number of shares of Common Stock that could possibly be issued after such time pursuant to this Agreement.

(c) Prior to the date hereof, the Company has filed with the NASDAQ Global Market a Listing of Additional Shares Notification under Listing Rule 5250(e)(2) (an "*LAS Notification*") covering a number of shares of Common Stock at least equal to the Required Minimum. Promptly following the date hereof, the Company shall take all steps necessary to cause such shares of Common Stock to be approved for listing or quotation on NASDAQ Global Market as soon as possible thereafter, and shall maintain the listing or quotation of a numbers of shares of Common Stock on any date equal to the Required Minimum on such date on the NASDAQ Global Market. The Company agrees to maintain the eligibility of the Common Stock for electronic transfer through the Depository Trust Company or another established clearing corporation, including, without limitation, by timely payment of fees to the Depository Trust Company or such other established clearing corporation in connection with such electronic transfer. Following the First Closing, the Company shall, from time to time as required, within the time period required by the NASDAQ Global Market, prepare and file with the NASDAQ Global Market a Change in Shares Outstanding.

Section 5.8 *Acknowledgment of Dilution*. The Company acknowledges that the issuance of the Securities may result in dilution of the outstanding shares of Common Stock, which dilution may be substantial under certain market conditions. The Company further acknowledges that its obligations under the Definitive Documents, including, without limitation, its obligation to issue the Securities pursuant to this Agreement, are unconditional and absolute and not subject to any right of set off,

counterclaim, delay or reduction, regardless of the effect of any such dilution or any claim the Company may have against Purchaser and regardless of the dilutive effect that such issuance may have on the ownership of the other stockholders of the Company.

Section 5.9 *Expense Reimbursement*. Upon (i) the termination of this Agreement under circumstance in which the Termination Fee is payable in accordance with *Section 8.3* (and subject to the limitations set forth in *Section 8.3*) or (ii) either or both of the First Closing or the Second Closing, the Company shall promptly, upon written request of the Purchaser, reimburse the Purchaser for all reasonable and documented fees and expenses of the Purchaser and its Affiliates and Representatives (including the fees and expenses of counsel) incurred prior to, on or after the date hereof in connection with the examination, review, due diligence investigation, documentation, negotiation, closing and funding of the transactions contemplated by this Agreement. Notwithstanding anything to the contrary herein, this *Section 5.9* shall survive the termination of this Agreement.

Section 5.10 *Blue Sky Filings*. The Company shall take such action as the Company shall reasonably determine is necessary in order to obtain an exemption for, or to qualify the Securities for, sale to the Purchaser at the First Closing or Second Closing, as applicable, under applicable securities or "Blue Sky" laws of the states of the United States, and shall provide evidence of such actions promptly upon request of any Purchaser.

Section 8.1 *Termination.* This Agreement may be terminated, and the transactions contemplated hereby may be abandoned, at any time prior to the First Closing:

(a) by mutual written consent of the Company and the Purchaser;

(b) by the Purchaser, upon written notice to the Company, if the First Closing shall not have been consummated on or prior to 5:00 pm New York Time on April 30, 2020 or such later date, if any, as the Company and the Purchaser may mutually agree upon in writing (such date, the "*Termination Date*"); *provided, however*, that the right to terminate this Agreement pursuant to this *Section 8.1(b)* shall not be available to the Purchaser if Purchaser's breach of any representation, warranty, covenant or other agreement contained in this Agreement is the primary cause of the failure of the First Closing to occur on or prior to the Termination Date;

(c) by the Company or the Purchaser, upon written notice to the other Party, if a Governmental Entity of competent jurisdiction has issued an Order or has taken any other action permanently enjoining or otherwise prohibiting the consummation of the transactions contemplated by this Agreement, and such Order or action has become final and non-appealable; *provided, however*, that the right to terminate this Agreement pursuant to this *Section 8.1(c)* shall not be available to any Party whose breach of any representation, warranty, covenant or other agreement contained in this Agreement is the primary cause of the failure to avoid such Order or other action; or

(d) by Purchaser, upon written notice to the Company, if:

(i) (A) the Company has breached any representation, warranty, covenant or other agreement made by the Company in this Agreement or such representation or warranty shall have become inaccurate and such breach or inaccuracy would, individually or in the aggregate, cause a condition to the First Closing or Second Closing to not be able to be satisfied, (B) the Purchaser shall have delivered written notice of such breach or inaccuracy to the Company and (C) such breach or inaccuracy is not cured by the Company before the earlier of (x) the 10th day following the delivery of such notice, and (y) the Termination Date; or

(ii) the Company or any of its direct or indirect Subsidiaries (A) voluntarily commences any case or files any petition seeking bankruptcy, winding up, dissolution, liquidation, administration, moratorium, reorganization or other relief under any federal, state or foreign bankruptcy, insolvency, administrative receivership or similar law now or hereafter in effect; (B) consents to the institution of, or fails to contest in a timely and appropriate manner, any involuntary proceeding or petition described in the preceding subsection (A); (C) applies for

or consents to the appointment of a receiver, administrator, administrative receiver, trustee, custodian, sequestrator, conservator or similar official with respect to the Company or any Affiliate or for a substantial part of the Company's assets; (D) makes a general assignment or arrangement for the benefit of creditors; or (E) takes any corporate action for the purpose of authorizing any of the foregoing.

(e) by the Company, upon written notice to the Purchaser, if:

(i) (A) the Purchaser has breached any representation, warranty, covenant or other agreement made by Purchaser in this Agreement or such representation or warranty shall have become inaccurate and such breach or inaccuracy would, individually or in the aggregate, cause a condition to the First Closing or Second Closing to not be able to be satisfied, (B) the Company shall have delivered written notice of such breach or inaccuracy to the Purchaser and (C) such breach or inaccuracy is not cured by the Purchaser before the earlier of (x) the 10th day following the delivery of such notice, and (y) the Termination Date; or

(ii) the Purchaser or any of its direct or indirect Subsidiaries (A) voluntarily commences any case or files any petition seeking bankruptcy, winding up, dissolution, liquidation, administration, moratorium, reorganization or other relief under any federal, state or foreign bankruptcy, insolvency, administrative receivership or similar law now or hereafter in effect; (B) consents to the institution of, or fails to contest in a timely and appropriate manner, any involuntary proceeding or petition described in the preceding subsection (A); (C) applies for or consents to the appointment of a receiver, administrator, administrative receiver, trustee, custodian, sequestrator, conservator or similar official with respect to the Purchaser or any Affiliate or for a substantial part of the Purchaser's assets; (D) makes a general assignment or arrangement for the benefit of creditors; or (E) takes any corporate action for the purpose of authorizing any of the foregoing.

Section 8.2 Effect of Termination. Upon termination of this Agreement pursuant to this *Article VIII*, this Agreement shall forthwith become void and there shall be no further obligations or liabilities on the part of the Parties; *provided*, that, *Section 2.3(b)(ii)*, *Section 5.9*, *Article VIII*, *Section 9.1*, *Section 9.3* through *Section 9.11* (except as otherwise set forth therein) and *Section 9.13* shall survive the termination of this Agreement; *provided further* that nothing set forth in this Agreement shall relieve any Party from liability for any breach of this Agreement occurring prior to such termination.

Section 8.3 Termination Fee.

(a) Without limiting any other rights or obligations set forth in this Agreement, in the event (i) that this Agreement is terminated pursuant to *Section 8.1(b)* and if, as of such termination, the Voting Agreement Condition shall not have been satisfied as of the time of termination or (ii) of a Second Closing Abandonment if at the time of such Second Closing Abandonment, the Stockholder Approval has not been obtained, then in either case, the Company shall pay, or cause to be paid, to the Purchaser, (x) an amount equal to \$850,000 (such amount, the "*Termination Fee*") and (y) the reimbursement of expenses contemplated by *Section 5.9*; *provided, however*, that in the event the Termination Fee is paid, the Company's expense reimbursement obligation shall be limited to \$250,000. Payment of the Termination Fee or the reimbursement of expenses shall be made by wire transfer of immediately available funds to such accounts as directed by the Purchaser and shall be made within two (2) Business Days following the termination of this Agreement.

(b) Other than in the case of willful breach of this Agreement, upon acceptance by Purchaser of the Termination Fee (and any related amounts owing pursuant to *Section 8.3(a)*), none of the Company nor its Related Parties shall have any further liability or obligation relating to or arising out of this Agreement (other than as set forth in *Section 8.2*). Purchaser acknowledges and agrees that under no circumstances shall the Purchaser be permitted or entitled both to (x) the receipt of the Termination Fee and expense reimbursement pursuant to *Section 5.9* and (y) a grant of specific performance that requires the Company to consummate the Second Closing.

Section 8.4 *Second Closing Abandonment*. In the event that (i) the Second Closing shall not have been consummated on or prior to 5:00 pm New York Time on August 17, 2020 or such later date, if any, as the Company and the Purchaser may mutually agree (the "*Abandonment Date*") or (ii) the Special Meeting occurs and the Stockholder Approval is not obtained at the Special Meeting, either the Purchaser or the Company shall be entitled to deliver written notice (a "*Second Closing Abandonment Notice*") to the other specifying that the noticing party has elected not to proceed with the consummation of the Second Closing; *provided, however*, that the right to deliver a Second Closing Abandonment Notice pursuant to this *Section 8.4* shall not be available to any Party whose breach of this Agreement is the primary cause of the failure of the Second Closing to occur on or prior to the Abandonment Date. Upon delivery of a Second Closing Abandonment Notice, the obligation of each party to consummate the Second Closing shall terminate and no party shall thereafter be required to take any action contemplated herein necessary to cause the Second Closing to occur (the "*Second Closing Abandonment*"). For the avoidance of doubt, (i) the occurrence of the Second Closing Abandonment shall not limit any liability for a breach of this Agreement occurring prior to the Second Closing Abandonment and (ii) following the Second Closing Abandonment, all other terms, conditions and indemnities set forth herein shall continue in full effect in accordance with their terms.

Section 9.2 *Assignment; Third-Party Beneficiaries.* Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned or transferred (in whole or in part) by any Party (whether by operation of law or otherwise) without the prior written consent of the other Party; *provided*, that Purchaser shall be entitled to assign this Agreement in whole or in part to any of its Subsidiaries or Affiliates. Any purported assignment or transfer in violation of this *Section 9.2* shall be null and void *ab initio*. This Agreement (including the documents and instruments referred to in this Agreement) is not intended to and does not confer upon any Person any rights or remedies under this Agreement other than the Parties.

Section 9.3 *Prior Negotiations; Entire Agreement.* This Agreement (including the agreements attached as Schedules and Exhibits to and the documents and instruments referred to in this Agreement, including the Definitive Documents) constitute the entire agreement of the Parties and supersede all prior agreements, arrangements or understandings, whether written or oral, among the Parties with respect to the subject matter of this Agreement.

Section 9.4 *Governing Law; Venue: Forum.* THIS AGREEMENT (AND ANY CLAIMS OR CAUSE OF ACTION ARISING UNDER, OUT OF OR IN CONNECTION WITH THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR STATUTE) SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN SUCH STATE, WITHOUT GIVING EFFECT TO THE CONFLICT OF LAWS PRINCIPLES THEREOF. Each of the Parties irrevocably and unconditionally agrees that, subject to the immediately following sentence of this *Section 9.4*, any legal action, suit or proceeding against it with respect to any matter arising under, out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, may be brought in the Delaware Chancery Court (or, if the Delaware Chancery Court shall be unavailable, then any federal court of the United States of America sitting in the State of Delaware), and by execution and delivery of this Agreement, each of the Parties: (a) irrevocably submits itself to the nonexclusive jurisdiction of such court, (b) waives any objection to laying venue in any such action, suit or proceeding and (c) waives any objection that such court is an inconvenient forum or does not have jurisdiction over such Party.

Section 9.5 *Waiver of Jury Trial.* EACH PARTY IRREVOCABLY WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING UNDER, OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER IN CONTRACT, TORT OR STATUTE).

Section 9.6 *Counterparts.* This Agreement may be executed in any number of counterparts, all of which will be considered one and the same agreement and will become effective when counterparts have been signed by each of the Parties and delivered to each other Party (including via facsimile or other electronic transmission), it being understood that each Party need not sign the same counterpart.

Section 9.7 *Waivers and Amendments; Rights Cumulative; Consent; Severability.*

(a) This Agreement may be amended, restated, modified or changed only by a written instrument signed by the Company and the Purchaser.

(b) Unless otherwise expressly set forth herein, the terms and conditions of this Agreement may be waived (i) by the Company only by a written instrument executed by the Company and (ii) by the Purchaser only by a written instrument executed by the Purchaser. No delay on the part of any Party in exercising any right, power or privilege pursuant to this Agreement will operate as a waiver thereof, nor will any waiver on the part of any Party of any right, power or privilege pursuant to this Agreement, nor will any single or partial exercise of any right, power or privilege pursuant to this Agreement, preclude any other or further exercise thereof or the exercise of any other right, power or privilege pursuant to this Agreement.

(c) In the event that any provision hereof would be invalid or unenforceable in any respect under applicable Law, such provision shall be construed by modifying or limiting it so as to be valid and enforceable to the maximum extent compatible with, and possible under, applicable Law. The provisions hereof are severable, and in the event any provision hereof should be held invalid or unenforceable in any respect, it shall not invalidate, render unenforceable or otherwise affect any other provision hereof.

Section 9.8 *Headings; Interpretation.* The headings in this Agreement are for reference purposes only and will not in any way affect the meaning or interpretation of this Agreement. Each Party participated in the drafting of this Agreement and this Agreement shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting an instrument or causing any instrument to be drafted.

Section 9.9 *Specific Performance.* It is understood and agreed by the Parties that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof and that the Parties shall be entitled to an injunction or injunctions without the necessity of posting a bond to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof, in addition to any other remedy to which they are entitled at law or in equity. Unless otherwise expressly stated in this Agreement, no right or remedy described or provided in this Agreement is intended to be exclusive or to preclude a Party from pursuing other rights and remedies to the extent available under this Agreement, at law or in equity.

Section 9.10 *Publicity.* The Company shall file a Current Report on Form 8-K with the SEC within the time required by the Exchange Act in form and substance reasonably satisfactory to Purchaser. The Parties shall jointly issue a press release disclosing the occurrence of the First Closing on the day of the First Closing or the Business Day immediately following the date thereof. The Company shall consult with the Purchaser in issuing any other press releases with respect to the transactions contemplated hereby, and the Company shall not issue any such press release or otherwise make any such public statement without the prior consent of the Purchaser, except if such disclosure is required by Law, in which case the Company shall promptly provide Purchaser with prior notice of such public statement or communication. Notwithstanding the foregoing, the Company shall not publicly disclose the name of Purchaser or include the name of Purchaser in any filing with the SEC or any Governmental Entity, without the prior written consent of Purchaser, except to the extent such disclosure is required by Law, in which case the Company shall provide the Purchaser with prior notice of such disclosure, or is required pursuant to the LAS Notification.

Section 9.11 *No Recourse.* Notwithstanding anything that may be expressed or implied in this Agreement, each Party covenants, agrees and acknowledges that no recourse under this Agreement or any documents or instruments delivered in connection with this Agreement shall be had against any Party's Affiliates, Related Parties or Representatives or any of such Party's Affiliates' or Related

Parties' Affiliates or Representatives in each case other than the Parties to this Agreement and each of their respective successors and permitted assigns under this Agreement, whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any applicable Law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any of the Related Parties or Representatives, as such, for any obligation or liability of any Party under this Agreement or any documents or instruments delivered in connection herewith for any claim based on, in respect of or by reason of such obligations or liabilities or their creation; *provided, however*, that nothing in this *Section 9.11* shall relieve or otherwise limit the liability of any Party hereto or any of their respective successors or permitted assigns for any breach or violation of its obligations under this Agreement or such other documents or instruments, except as provided in *Section 8.3(b)* and *Section 9.12*. For the avoidance of doubt, none of the Parties will have any recourse, be entitled to commence any proceeding or make any claim under this Agreement or in connection with the transactions contemplated hereby except against any of the Parties or their respective successors and permitted assigns, as applicable.

Section 9.12 Limitation of Liability. IN NO EVENT WILL EITHER PARTY, ITS DIRECTORS, OFFICERS, EMPLOYEES, AGENTS OR AFFILIATES BE LIABLE TO THE OTHER PARTY FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH, ARISING OUT OF, OR RELATED TO, THIS AGREEMENT, EXCEPT TO THE EXTENT REASONABLY FORESEEABLE OR ACTUALLY PAID TO A THIRD PARTY.

Section 9.13 Further Assurances. From and after the Second Closing Date, upon the reasonable request of any Party hereto, any other Party hereto shall execute, acknowledge, file and/or deliver all such additional instruments, agreements and other documents, and shall do (or cause to be done) all such additional acts and things, that are necessary, proper, advisable or desirable to carry out, consummate and make effective any of the transactions contemplated by this Agreement.

Section 9.14 Survival. All covenants and other agreements contained in this Agreement which by their terms are to be performed following the Second Closing shall survive the Second Closing until fully performed. The representations and warranties made in this Agreement shall survive as follows: (a) the representations and warranties set forth in *Section 3.1 (Organization and Qualification)*, *Section 3.2 (Authorization; Enforcement Validity)*, *Section 3.3 (Issuance of Securities)*, *Section 3.6 (No General Solicitation; Agents' Fees)*, *Section 3.13 (Transactions With Affiliates)*, *Section 3.14 (Capitalization)* and *Section 3.37 (Specified Contract)* (collectively, the "*Fundamental Representations*") shall survive indefinitely; (b) the representations and warranties in *Section 3.19 (Employee Relations)*, *Section 3.23 (Tax Status)* and *Section 3.29 (ERISA Compliance)* shall survive until the expiration of the statute of limitations plus thirty (30) days; and (c) all other representations and warranties shall survive until the twelve (12)-month anniversary of the Second Closing.

FORM OF VOTING AGREEMENT

by and between

INNOVIVA, INC.

and

THE STOCKHOLDER PARTY HERETO

Dated as of _____, 2020

VOTING AGREEMENT

This Voting Agreement (this "*Agreement*") is entered into as of [], 2020, between Innoviva, Inc., a Delaware corporation ("*Purchaser*"), and the undersigned stockholder (the "*Stockholder*").

WHEREAS, as of the date hereof, the Stockholder is the sole record and beneficial owner of, and has the sole power to vote (or to direct the voting of) the number of shares of common stock, par value \$0.001 per share (the "*Common Shares*"), of Entasis Therapeutics Holdings Inc., a Delaware corporation (the "*Company*"), set forth opposite the Stockholder's name on *Schedule I* hereto (such Common Shares, together with any other shares of the Company that are acquired by the Stockholder after the date hereof, the "*Subject Shares*");

WHEREAS, the Company and Purchaser entered into a Securities Purchase Agreement, dated as of April 12, 2020 (as amended from time to time, the "*Purchase Agreement*"), pursuant to which Purchaser has agreed to purchase, and the Company has agreed to sell, 14,000,000 Common Shares of the Company, together with warrants to purchase an additional 14,000,000 Common Shares of the Company;

WHEREAS, the consummation of the transactions contemplated by the Purchase Agreement requires the affirmative vote of the majority of the votes cast at a duly called meeting of the holders of a majority in voting power of the Common Shares, entitled to vote thereon pursuant to Listing Rule 5635(d) of the National Association of Securities Dealers Automated Quotations (NASDAQ);

WHEREAS, Purchaser and the Stockholder have agreed that the voting power of the Subject Shares will be subject to the restrictions set forth in this Agreement from the date hereof through the date on which this Agreement is terminated in accordance with its terms (such period, the "*Voting Period*"); and

WHEREAS, as an inducement to Purchaser's willingness to enter into the Purchase Agreement and consummate the transactions contemplated thereby, transactions from which the Stockholder believes it will each derive substantial benefits through its ownership interests in the Company, the Stockholder is entering into this Agreement.

NOW, THEREFORE, in consideration of the foregoing and the respective representations, warranties, covenants and agreements set forth herein, the parties agree as follows:

ARTICLE I

DEFINITIONS

SECTION 1.1 *Capitalized Terms.* For purposes of this Agreement, capitalized terms used and not defined herein shall have the respective meanings ascribed to them in the Purchase Agreement.

ARTICLE II

VOTING AGREEMENT

SECTION 2.1 *Agreement to Vote.* Each Stockholder hereby agrees that, during the Voting Period, such Stockholder shall, if a meeting of stockholders of the Company is held, appear at the meeting, in person or by proxy, and vote (or cause to be voted), and if an action is to be taken by written consent in lieu of a meeting, provide a written consent, in respect of all its Subject Shares, in each case (i) in favor of (A) any proposal to adopt and approve or reapprove the Purchase Agreement and the transactions contemplated thereby, (B) the Charter Amendment and (C) waiving any notice requirements applicable to the Purchase Agreement or any of the transactions contemplated thereby pursuant to the Company's organizational documents or applicable Law, and (ii) against (X) any action

or agreement that would reasonably be expected to prevent or materially delay the consummation of the transactions contemplated by the Purchase Agreement and (Y) any Acquisition Proposal and any action in furtherance of any such Acquisition Proposal.

SECTION 2.2 *Grant of Irrevocable Proxy.* If requested by Purchaser, each Stockholder shall appoint Purchaser and any designee of Purchaser, and each of them individually, as such Stockholder's proxy, with full power of substitution and resubstitution, to vote during the Voting Period with respect to any and all of the Subject Shares on the matters and in the manner specified in *Section 2.1*. Each Stockholder shall take all further action or execute such other instruments as may be necessary to effectuate the intent of any such proxy. Each Stockholder affirms that any irrevocable proxy given by it with respect to the Purchase Agreement and the transactions contemplated thereby shall be given to Purchaser by such Stockholder to secure the performance of the obligations of such Stockholder under this Agreement. It is agreed that Purchaser (and its officers on behalf of Purchaser) will use the irrevocable proxy that may be granted by the Stockholder only in accordance with applicable Law and that, to the extent Purchaser (and its officers on behalf of Purchaser) uses any such irrevocable proxy, it will only vote the Subject Shares subject to such irrevocable proxy with respect to the matters specified in, and in accordance with the provisions of, *Section 2.1*.

SECTION 2.3 *Nature of Irrevocable Proxy.* Any proxy granted pursuant to *Section 2.2* to Purchaser by a Stockholder shall be irrevocable during the term of this Agreement, shall be deemed to be coupled with an interest sufficient in law to support an irrevocable proxy and shall revoke any and all prior proxies or powers of attorney granted by such Stockholder and no subsequent proxy or power of attorney shall be given or written consent executed (and if given or executed, shall not be effective) by such Stockholder with respect thereto. Any proxy that may be granted hereunder shall terminate upon the termination of this Agreement, but shall survive the death or incapacity of such Stockholder and any obligation of such Stockholder under this Agreement shall be binding upon the heirs, personal representatives and successors of such Stockholder.

ARTICLE III

COVENANTS

SECTION 3.1 *Subject Shares.*

(a) Each Stockholder agrees that during the Voting Period, it shall not, and shall not commit or agree to, without Purchaser's prior written consent, (i) directly or indirectly, whether by merger, consolidation or otherwise, offer for sale, sell (including short sales), transfer, tender, pledge, encumber, assign or otherwise dispose of (including by gift or by operation of law) (collectively, a "*Transfer*"), or enter into any contract, option, derivative, hedging or other agreement or arrangement or understanding (including any profit-sharing arrangement, through the granting of any proxies or powers of attorney, in connection with a voting trust or voting agreement or by operation of Law) with respect to, or consent to or permit, a Transfer of, any or all of the Subject Shares or any interest therein or (ii) take any action inconsistent with this Agreement, the Purchase Agreement or the transactions contemplated hereby or thereby (including by granting of any proxy or power of attorney with respect to the Subject Shares (other than the proxy contemplated by *Section 2.2*) or agreeing to divest itself of the voting power with respect to its Subject Shares or vote its Subject Shares on any matter in a manner that would be inconsistent with its obligations under this Agreement). Notwithstanding the foregoing, this Section 3(a) shall not prohibit a Transfer of the Subject Shares by the Stockholder to an Affiliate of the Stockholder; provided, that a Transfer referred to in this sentence shall be permitted only if, as a precondition to such Transfer, the transferee agrees in a writing, reasonably satisfactory in form and substance to Purchaser, to be bound by all of the terms of this Agreement. Each Stockholder agrees that any Transfer of Subject Shares not permitted hereby shall be null and void and that any such prohibited Transfer shall be enjoined. If any involuntary transfer of any

Subject Shares covered hereby shall occur (including, but not limited to, a sale by any Stockholder's trustee in bankruptcy, or a sale to a purchaser at any creditor's or court sale), the transferee (which term, as used herein, shall include any and all transferees and subsequent transferees of the initial transferee) shall take and hold such Subject Shares subject to all of the restrictions, liabilities and rights under this Agreement, which shall continue in full force and effect.

(b) In the event of a stock dividend or distribution, or any change in the Subject Shares by reason of any stock dividend or distribution, split-up, recapitalization, combination, conversion, exchange of shares or the like, the term "Subject Shares" shall be deemed to refer to and include the Subject Shares as well as all such stock dividends and distributions and any securities into which or for which any or all of the Subject Shares may be changed or exchanged or which are received in such transaction. Each Stockholder further agrees that, in the event such Stockholder purchases or otherwise acquires beneficial or record ownership of or an interest in, or acquires the right to vote or share in the voting of, any additional Common Shares, in each case after the execution of this Agreement, then any such additional Common Shares shall be subject to the terms of this Agreement, including all covenants, agreements, obligations, representations and warranties set forth herein as if those additional shares were owned by such Stockholder on the date of this Agreement.

SECTION 3.2 *Capacity.* All agreements and understandings made herein shall be made solely in each Stockholder's capacity as a holder of the Subject Shares and not in any other capacity. For the avoidance of doubt, notwithstanding anything to the contrary in this Agreement, the parties acknowledge that if a Stockholder has a nominee or Affiliate on the Company's board of directors (the "*Board*"), the parties agree that (i) such nominee or Affiliate of such Stockholder on the Board (each, a "*Stockholder Designee*") shall be free to act in his/her capacity as a director of the Company solely in accordance with his/her duties to the Company and its stockholders, (ii) nothing herein shall prohibit or restrict any Stockholder Designee from taking any action (or omitting to take any action) in facilitation of the exercise of his/her fiduciary duties pursuant to and in accordance with the Purchase Agreement or otherwise and (iii) no action taken by a Stockholder Designee or the omission by a Stockholder Designee to take any action, acting in his or her capacity as a director of the Company, shall be deemed to be a breach by such Stockholder of this Agreement.

SECTION 3.3 *Other Offers.* During the Voting Period, the Stockholder and its Affiliates shall not, and the Stockholder shall not authorize or permit any of its Representatives to, take any of the following actions: (i) initiate, solicit, facilitate or knowingly encourage any Acquisition Proposal or the making or submission thereof or the making of any proposal that could reasonably be expected to lead to any Acquisition Proposal, (ii) participate or engage in any negotiations regarding, or furnish any third party any non-public information relating to the Company or its Subsidiaries, in connection with or with a view to induce the making, submission or announcement of an Acquisition Proposal or any inquiries or proposals that could reasonably be expected to lead to an Acquisition Proposal, or (iii) adopt or approve any Acquisition Proposal or enter into any agreement or arrangement (including any letter of intent or agreement in principal) with respect to an Acquisition Proposal; *provided, however*, that none of the foregoing restrictions shall apply to the Stockholder's or its Representatives' interactions with Purchaser and its Subsidiaries and Representatives. Without limiting the foregoing, it is understood that any violation of the foregoing restrictions by any Representatives of a Stockholder who are acting at such Stockholder's direction shall be deemed to be a breach of this *Section 3.3* by such Stockholder. The Stockholder shall, and shall cause its Affiliates and Representatives to, cease immediately and cause to be terminated any and all existing activities, discussion or negotiations, if any, with any third party conducted prior to the date hereof with respect to any Acquisition Proposal.

SECTION 3.4 *Communications.* During the Voting Period, each Stockholder shall not, and shall use its commercially reasonable efforts to cause its Representatives, if any, not to, make any press release, public announcement or other public communication that criticizes or disparages this Agreement or the Purchase Agreement or any of the transactions contemplated hereby and thereby,

without the prior written consent of Purchaser, provided that the foregoing shall not limit or affect any actions taken by such Stockholder that would be permitted to be taken by the Company pursuant to the terms of the Purchase Agreement or any Affiliate of such Stockholder who is a director, officer or employee of the Company from taking any action in his or her capacity as a director, officer or employee of the Company, including making any filings with the SEC in connection with the Purchase Agreement or any of the transactions contemplated thereby. Each Stockholder hereby consents to and authorizes the publication and disclosure by Purchaser and the Company in any publicly filed documents relating to the Purchase Agreement or the transactions contemplated thereby of: (a) such Stockholder's identity; (b) such Stockholder's ownership of the Subject Shares; and (c) the nature of such Stockholder's commitments, arrangements and understandings under this Agreement, and any other information that Purchaser or the Company reasonably determine to be necessary in any SEC disclosure document in connection with the Purchase Agreement or any transactions contemplated thereby; *provided, however*, that such disclosure shall be consistent with the Stockholder's publicly available information.

SECTION 3.5 *Voting Trusts.* Each Stockholder agrees that it will not, nor will it permit any entity under its control to, deposit any of its Subject Shares in a voting trust or subject any of its Subject Shares to any arrangement with respect to the voting of such Subject Shares other than as provided herein.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF STOCKHOLDER

The Stockholder hereby represents and warrants to Purchaser as follows:

SECTION 4.1 *Due Authorization, etc.* Such Stockholder is an entity duly organized, validly existing and in good standing under the Laws of its State of organization. Such Stockholder has all necessary power and authority to execute and deliver this Agreement and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby by such Stockholder have been duly authorized by all necessary action on the part of such Stockholder and no other proceedings on the part of such Stockholder are necessary to authorize this Agreement, or to consummate the transactions contemplated hereby. This Agreement has been duly executed and delivered by such Stockholder and (assuming the due authorization, execution and delivery by Purchaser) constitutes a valid and binding obligation of such Stockholder, enforceable against such Stockholder in accordance with its terms, except to the extent enforcement is limited by the General Enforceability Exceptions.

SECTION 4.2 *Ownership of Shares.* *Schedule I* hereto sets forth opposite such Stockholder's name the Common Shares over which such Stockholder has record and beneficial ownership as of the date hereof. As of the date hereof, such Stockholder is the lawful owner of the Common Shares denoted as being owned by such Stockholder on *Schedule I* hereto, has the sole power to vote or cause to be voted such Common Shares and the sole power to dispose of or cause to be disposed such Common Shares. Such Stockholder has good and valid title to the Common Shares denoted as being owned by such Stockholder on *Schedule I* hereto.

SECTION 4.3 *No Conflicts.* Except as contemplated by the Purchase Agreement and for the applicable requirements of the Securities Exchange Act of 1934, as amended (the "*Exchange Act*"), (a) no filing with any Governmental Entity is necessary for the execution of this Agreement by such Stockholder and (b) none of the execution and delivery of this Agreement by such Stockholder, the consummation by such Stockholder of the transactions contemplated hereby or compliance by such Stockholder with any of the provisions hereof shall (i) conflict with or result in any breach of any of the organizational documents of such Stockholder, (ii) result in, or give rise to, a violation or breach of

or a default under any of the terms of any Contract to which such Stockholder is a party or by which such Stockholder or any of the Subject Shares or its assets may be bound, or (iii) violate any Law, except for any of the foregoing as would not reasonably be expected to impair such Stockholder's ability to perform any of its obligations under this Agreement.

SECTION 4.4 *Finder's Fees.* No investment banker, broker, finder or other intermediary is entitled to a fee or commission from Purchaser or the Company in respect of this Agreement based upon any Contract made by or on behalf of such Stockholder, solely in such Stockholder's capacity as a stockholder of the Company.

SECTION 4.5 *No Litigation.* As of the date of this Agreement, there is no Action pending or, to the knowledge of such Stockholder, threatened against such Stockholder that would reasonably be expected to impair the ability of such Stockholder to perform its obligations hereunder or consummate the transactions contemplated hereby.

This Agreement has been duly executed and delivered by Purchaser and (assuming the due authorization, execution and delivery by each of the Stockholder Parties) constitutes a valid and binding obligation of Purchaser, enforceable against Purchaser in accordance with its terms, except to the extent enforcement is limited by the General Enforceability Exceptions.

ARTICLE VI

TERMINATION

SECTION 6.1 *Termination.* This Agreement shall automatically terminate, and neither Purchaser nor the Stockholder shall have any rights or obligations hereunder and this Agreement shall become null and void and have no effect upon the earliest to occur of: (a) the mutual written consent of Purchaser and the Stockholder; (b) the Second Closing; or (c) the termination of the Purchase Agreement by, or with the consent of the Purchaser in accordance with its terms. The parties acknowledge that upon termination of this Agreement as permitted under and in accordance with the terms of this *Article VI*, no party to this Agreement shall have the right to recover any claim with

respect to any losses suffered by such party in connection with such termination, except that, subject to *Section 7.11*, the termination of this Agreement shall not relieve either party to this Agreement from liability for such party's intentional breach of any terms of this Agreement. Notwithstanding anything to the contrary herein, the provisions of this *Article VI* and *Article VII* shall survive the termination of this Agreement. Notwithstanding anything contained herein to the contrary, nothing in this Agreement shall be deemed to constitute a waiver, modification or amendment to any rights or remedies any party may have under the Purchase Agreement.

ARTICLE VII

SECTION 7.3 *Amendments, Waivers, etc.* This Agreement may not be amended except by an instrument in writing signed by the parties hereto and specifically referencing this Agreement. Any such extension or waiver shall be valid if set forth in an instrument in writing signed by the party or parties to be bound thereby and specifically referencing this Agreement. The failure of any party to assert any rights or remedies shall not constitute a waiver of such rights or remedies.

SECTION 7.4 *Notices.* All notices and other communications hereunder shall be in writing and shall be deemed given if delivered personally, sent via electronic mail (with confirmation), mailed by registered or certified mail (return receipt requested) or delivered by an express courier (with confirmation) to the Parties at the following addresses (or at such other address for a party as may be specified by like notice):

SECTION 7.5 *Headings.* The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement..

SECTION 7.6 *Severability.* The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application of such provision to any person or any circumstance, is invalid or unenforceable (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application of such provision, in any other jurisdiction.

SECTION 7.7 *Entire Agreement; Assignment.* This Agreement constitutes the entire agreement, and supersedes all other prior agreements and understandings, both written and oral, between the parties, or any of them, with respect to the subject matter hereof. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties hereto (whether by operation of law or otherwise) without the prior written consent of the other parties, except that without consent, Purchaser may assign all or any of its rights and obligations hereunder to any of its Subsidiaries or Affiliates that assume the rights and obligations of Purchaser under the Purchase Agreement. Subject to the preceding two sentences, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties hereto and their respective successors and permitted assigns. Notwithstanding anything to the contrary set forth herein, each Stockholder agrees that this Agreement and the obligations hereunder shall be binding upon any Person to which record or beneficial ownership of such Stockholder's Subject Shares shall pass, whether by operation or law or otherwise, including such Stockholder's heirs, guardians, administrators or successors and assigns, and each Stockholder agrees to take all commercially actions necessary to effect the foregoing.

SECTION 7.8 *Parties in Interest.* This Agreement shall be binding upon and inure solely to the benefit of each party hereto, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any rights, benefits or remedies of any nature whatsoever under or by reason of this Agreement, including the right to rely upon the representations and warranties set forth herein. The representations and warranties in this Agreement are the product of negotiations among the parties hereto and are for the sole benefit of the parties hereto. Notwithstanding the foregoing, the Company shall be an express third-party beneficiary solely of the provisions of *Section 3.4* hereof. Any inaccuracies in such representations and warranties are subject to waiver by the parties hereto in accordance with *Section 7.3* without notice or liability to any other person. In some instances, the representations and warranties in this Agreement may represent an allocation among the parties hereto

of risks associated with particular matters regardless of the knowledge of any of the parties hereto. Consequently, Persons other than the parties hereto may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date (except the Company solely with respect to *Section 3.4* hereof).

SECTION 7.9 Interpretation. When a reference is made in this Agreement to an Article or Section, such reference shall be to an Article or Section of this Agreement unless otherwise indicated. Whenever the words "include," "includes" or "including" are used in this Agreement, they shall be deemed to be followed by the words "without limitation." The words "hereof," "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. All terms defined in this Agreement shall have the defined meanings when used in any certificate or other document made or delivered pursuant hereto unless otherwise defined therein. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms and to the masculine as well as to the feminine and neuter genders of such term. Any agreement, instrument or statute defined or referred to herein or in any agreement or instrument that is referred to herein means such agreement, instrument or statute as from time to time amended, modified or supplemented in accordance with the terms hereof, including (in the case of agreements or instruments) by waiver or consent and (in the case of statutes) by succession of comparable successor statutes and references to all attachments thereto and instruments incorporated therein. References to a Person are also to its permitted successors and assigns. Each of the parties has participated in the drafting and negotiation of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement must be construed as if drafted by all the parties and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of authorship of any of the provisions of this Agreement. This Agreement shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting or causing any instrument to be drafted.

SECTION 7.10 Governing Law. THIS AGREEMENT AND ALL QUESTIONS RELATING TO THE INTERPRETATION OR ENFORCEMENT OF THIS AGREEMENT SHALL BE DEEMED TO BE MADE IN AND IN ALL RESPECTS SHALL BE INTERPRETED, CONSTRUED AND GOVERNED BY AND IN ACCORDANCE WITH THE LAW OF THE STATE OF DELAWARE WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES THEREOF TO THE EXTENT THAT SUCH PRINCIPLES WOULD DIRECT A MATTER TO ANOTHER JURISDICTION.

SECTION 7.11 Specific Performance. Each Stockholder acknowledges that any breach of this Agreement would give rise to irreparable harm for which monetary damages would not be an adequate remedy and each of the Company and Purchaser shall be entitled to a decree of specific performance and to temporary, preliminary and permanent injunctive relief to prevent breaches or threatened breaches of any of the provisions of this Agreement, without the necessity of proving the inadequacy of monetary damages as a remedy, which shall be the sole and exclusive remedy for any such breach. Notwithstanding anything contained herein to the contrary, nothing in this Agreement shall be deemed to constitute a waiver, modification or amendment to any rights or remedies any party may have under the Purchase Agreement.

SECTION 7.12 Submission to Jurisdiction. The parties hereby irrevocably submit to the exclusive personal jurisdiction of the Court of Chancery of the State of Delaware, or, if the Chancery Court declines jurisdiction, the United States District Court for the District of Delaware or the courts of the State of Delaware solely in respect of the interpretation and enforcement of the provisions of this Agreement and hereby waive, and agree not to assert, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof, that it is not subject thereto or that such action, suit or proceeding may not be brought or is not maintainable in said courts or that the venue thereof may not be appropriate or that this Agreement may not be enforced in or by such courts, and the parties hereto

irrevocably agree that all claims relating to such action, suit or proceeding shall be heard and determined in such courts. The parties hereby consent to and grant any such court jurisdiction over the person of such parties and, to the extent permitted by law, over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in *Section 7.4* or in such other manner as may be permitted by Law shall be valid and sufficient service thereof.

SECTION 7.13 *Waiver of Jury Trial.* EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) EACH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (iv) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS *SECTION 7.13*.

SECTION 7.14 *No Recourse; Limitation of Liability.* Notwithstanding anything that may be expressed or implied in this Agreement, each party covenants, agrees and acknowledges that no recourse under this Agreement or any documents or instruments delivered in connection with this Agreement shall be had against any party's Affiliates, Related Parties or Representatives or any of such party's Affiliates' or Related Parties' Affiliates or Representatives in each case other than the parties to this Agreement and each of their respective successors and permitted assigns under this Agreement, whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any applicable Law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any of the Related Parties or Representatives, as such, for any obligation or liability of any party under this Agreement or any documents or instruments delivered in connection herewith for any claim based on, in respect of or by reason of such obligations or liabilities or their creation. For the avoidance of doubt, none of the parties will have any recourse, be entitled to commence any proceeding or make any claim under this Agreement or in connection with the transactions contemplated hereby except against any of the parties hereto or their respective successors and permitted assigns, as applicable. Notwithstanding anything to the contrary in this Agreement, in no event shall the Stockholder have any liability to Purchaser or any of its Affiliates under the Purchase Agreement or any other agreement to which the Stockholder is not an express party.

SECTION 7.15 *Counterparts.* This Agreement may be executed in two or more counterparts (including by facsimile transmission or other means of electronic transmission, such as by electronic mail in "pdf" form), each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument, and shall become effective when one or more counterparts have been signed by each of the parties and delivered (by facsimile or otherwise) to the other parties.

SECTION 7.16 *Relationship of the Parties.* This Agreement has been negotiated on an arm's length basis between the parties and is not intended to create a partnership, joint venture or agency relationship between the parties.

BY AND BETWEEN

ENTASIS THERAPEUTICS HOLDINGS INC.

AND

INNOVIVA, INC.

Dated as of April 22, 2020

INVESTOR RIGHTS AGREEMENT

This INVESTOR RIGHTS AGREEMENT (this "*Agreement*") is made and entered into as of April 22, 2020 by and between Entasis Therapeutics Holdings Inc., a Delaware corporation (the "*Company*"), and Innoviva, Inc., a Delaware corporation (the "*Purchaser*"), in connection with that certain Securities Purchase Agreement, dated as of April 12, 2020, by and between the Company and the Purchaser (the "*Purchase Agreement*"). Capitalized terms used herein have the respective meanings ascribed thereto in the Purchase Agreement unless otherwise defined herein.

The parties hereby agree as follows:

1. *Certain Definitions.*

As used in this Agreement, the following terms shall have the following meanings:

"*Applicable Percentage*" means, with respect to any person on any date of determination, the quotient, expressed as a percentage, determined by dividing (i) the number of Company Common Stock owned (directly or indirectly) by such person determined on a Fully Diluted Basis by (ii) the total number of Company Common Stock that are issued and outstanding determined on a Fully Diluted Basis.

"*Board*" means the board of directors of the Company.

"*Company Common Stock*" means the shares of common stock, par value \$0.001 per share, of the Company.

"*Exchange Shares*" means Company Common Stock issued or issuable upon the exchange of the Warrants pursuant to the terms thereof.

"*Exempted Securities*" means

(i) Company Common Stock (or options or other rights to acquire Company Common Stock or securities convertible or exchangeable into or exercisable for Company Common Stock) issued as a dividend or distribution on the Warrants;

(ii) Company Common Stock (or options or other rights to acquire Company Common Stock or securities convertible or exchangeable into or exercisable for Company Common Stock) issued by reason of a dividend, stock split, split-up or other distribution of Company Common Stock;

(iii) Company Common Stock (or options or other rights to acquire Company Common Stock or securities convertible or exchangeable into or exercisable for Company Common Stock) issued to employees or directors of, or consultants or advisors to the Company or any of its Subsidiaries pursuant to a plan, agreement or arrangement;

(iv) Company Common Stock (or options or other rights to acquire Company Common Stock or securities convertible or exchangeable into or exercisable for Company Common Stock) issued to equipment lessors or to real property lessors, pursuant to equipment leasing or real property leasing transaction; or

(v) Company Common Stock (or options or other rights to acquire Company Common Stock or securities convertible or exchangeable into or exercisable for Company Common Stock) issued in connection with sponsored research, collaboration, technology license, development, manufacturing, supply, distribution, marketing or other similar commercial agreements or strategic partnerships.

"*Fully Diluted Basis*" means the number of shares of Company Common Stock outstanding or held (as the case may be) assuming, for the purposes of calculating the number of shares of Company Common Stock held by the Investors, the conversion, exchange or exercise of all securities or other

instruments or rights held by the Investors that are convertible into or exercisable or exchangeable for Company Common Stock. For purposes of this definition, all Warrants shall be deemed converted on the date of determination in exchange for cash.

"*Governmental Entity*" means any federal, state, local, foreign, international or multinational entity or authority exercising executive, legislative, judicial, regulatory, administrative or taxing functions of or pertaining to government.

"*New Securities*" means, collectively, (i) equity securities of the Company (including Company Common Stock), whether or not currently authorized, (ii) debt securities, loans or other indebtedness of the company if any stockholder of the Company who, together with its Affiliates, holds greater than five percent (5%) of the outstanding Company Common Stock, acquires or is offered the opportunity to acquire such debt securities, loans or other indebtedness and (iii) any rights, options, or warrants to purchase any of the foregoing, or securities of any type whatsoever that are, or may become, convertible or exchangeable into or exercisable for any of the foregoing. For the avoidance of doubt, New Securities shall not include any Exempted Securities.

"*Purchased Shares*" means the Company Common Stock acquired by the Purchaser pursuant to the Purchase Agreement.

2. [Reserved].

3. *Participation Rights.*

(a) Subject to the terms and conditions of this *Section 3* and applicable securities or blue sky laws, if the Company proposes to issue, offer or sell any New Securities, the Company shall first offer such New Securities to the Purchaser in accordance with the terms hereof.

(b) The Company shall give notice (the "*Offer Notice*") to the Purchaser, stating (i) its bona fide intention to offer or sell such New Securities, (ii) the number of such New Securities to be offered, and (iii) the price and terms, if any, upon which it proposes to offer such New Securities.

(c) By written notification to the Company within twenty (20) days after the Offer Notice is delivered to the Purchaser, the Purchaser may elect to purchase or otherwise acquire, at the price and on the terms specified in the Offer Notice, up to that portion of such New Securities which equals the Purchaser's Applicable Percentage. The failure of the Purchaser to deliver such written notice within such time period shall be deemed an election by the Purchaser not to exercise its purchase rights with respect to such Offer Notice. To the extent that the Company offers two (2) or more New Securities or other securities in units, the Purchaser must purchase such units as a whole and will not be given the opportunity to purchase only one of the securities making up such unit.

(d) The Company shall sell all applicable New Securities to the Purchaser if it has elected to purchase such New Securities on a date to be mutually determined by the Company and the Purchaser, which date shall be not later than end of the twenty (20) day period commencing at the expiration of the initial twenty (20) day election period; *provided, however*, that such twenty (20) day period shall be extended automatically if any approvals or consents of any Governmental Entities are required to consummate the transaction and such approvals or consents are not received within such twenty (20) day period for up to an additional one hundred twenty (120) days as long as such approvals or consents remain outstanding and the parties are continuing to exercise commercially reasonable efforts to obtain them.

(e) Upon the expiration of the offering period described in *Section 3(c)*, the Company will be free to sell, during the one hundred twenty (120) day period commencing at the expiration of, as applicable, the initial twenty (20) day election period following delivery of an Offer Notice, any New Securities that the Purchaser has not elected to purchase, at a sale price not less than, and on other terms no less favorable to the Company than, those offered to the Purchaser as set forth in the Offer Notice,

provided, that such one hundred twenty (120) day period shall be extended automatically if any approvals or consents of any Governmental Entities are required to consummate the transaction and such approvals or consents are not received within such one hundred twenty (120) day period for up to an additional one hundred twenty (120) days as long as such approvals or consents remain outstanding and the parties are continuing to exercise commercially reasonable efforts to obtain them. Any New Securities offered or sold by the Company after such one hundred twenty (120) day period (as such period may be extended in accordance with the immediately preceding sentence) must be reoffered to the Purchaser pursuant to this *Section 3*.

(f) The election by the Purchaser not to exercise its subscription rights under this *Section 3* in any one instance shall not affect its right (other than in respect of a reduction in its Applicable Percentage) as to any subsequent proposed issuance of New Securities under this *Section 3*. The provisions of this *Section 3* shall apply equally to any issuance or sale by the Company or any of its Subsidiaries of securities or other instruments that would be deemed New Securities if issued by the Company which, for the avoidance of doubt, shall not include any issuance of New Securities by a wholly owned Subsidiary to the Company or to another wholly-owned Subsidiary of the Company. Subject to the terms of this *Section 3*, any sale of New Securities by the Company or any other entity covered by the preceding sentence without first giving the Purchaser the rights described in this *Section 3* shall be null and void and of no force and effect.

(g) Notwithstanding the terms set forth in this *Section 3*, if the Board determines in good faith that the Company must issue New Securities on an expedited basis without prior compliance with the terms of this *Section 3* in order to avoid harm to the Company (an "*Expedited Issuance*"), then, subject to compliance with the terms of the immediately following sentence, the Company may effect and consummate such Expedited Issuance without complying with the terms set forth in this *Section 3* and shall not be deemed to be in breach of this *Section 3* as a result thereof. As promptly as practicable following the consummation of such Expedited Issuance, the Company and the Purchaser shall comply with the terms of this *Section 3* in respect of the New Securities issued in such Expedited Issuance such that the Purchaser has the opportunity to participate in such Expedited Issuance of New Securities and be put in the same place (including in respect of the percentage ownership of the equity securities of the Company) they would have been had such Expedited Issuance been effected in accordance with the terms of this *Section 3*.

(h) The provisions of this *Section 3* (i) shall not apply to the issuance of Exempted Securities and (ii) shall terminate and be of no further force or effect as of such time that the Purchaser, together with its Affiliates, have an Applicable Percentage of less than 20%.

4. *Board Matters.*

(a) For so long as the Purchaser, together with its Affiliates and permitted assignees (collectively, the "*Investors*"), have an Applicable Percentage of at least 8%, at the request of the Investors, the Company shall cause the Board to consist of not more than ten (10) members without the prior written consent of the Investors (which shall not be unreasonably withheld).

(b) For so long as the Investors, collectively, and together with their Affiliates, own at least eight percent (8%) of the then-outstanding Company Common Stock, the Investors shall have the right to designate one (1) director to the Board, and for so long as the Investors, collectively, and together with their Affiliates, continue to own at least fifteen percent (15%) of the then-outstanding Company Common Stock, the Investors shall have the right to designate two (2) directors to the Board, in each case, in accordance with the terms of this *Section 4*. Any directors designated by the Investors in accordance with this *Section 4* shall be referred to as "*Investor Designees*." The right to designate one or more Investor Designees shall terminate and be of no further force or effect as of such time that the Investors ownership decreases below the applicable threshold percentage referenced in the first sentence of this *Section 4(b)*. At any point in which the Investors are entitled to designate an Investor

Designee, the Investors may provide written notice (a "*Designation Notice*") to the Company naming the applicable Investor Designee(s) and demanding that the applicable Investor Designee(s) be appointed to the Board. Promptly, and in any event within five (5) Business Days, following receipt of the Designation Notice, the Company shall cause the Investor Designees to be appointed to the Board and assigned to be members of the class of directors as is consistent with the Company's Amended and Restated Bylaws. Any person designated by the Investor as an Investor Designee must possess the requisite financial and business experience to serve as a director of the Company (it being understood that the directors and each of the executives and investment professionals employed by the Investor or its Affiliates shall be deemed to possess such experience). If the Board and all applicable committees of the Board reasonably determine that an Investor Designee satisfies the criteria in the foregoing sentence, the Board shall nominate and appoint such Investor Designee to the Board. Following the delivery of a Designation Notice and prior to the appointment of the Investor Designees to the Board, the Company shall not (and shall cause its Subsidiaries not to) take or approve any action outside of the ordinary course of business or any other action that would represent a breach of Section 5.1 of the Purchase Agreement.

(c) With respect to any vote of the Board, each director shall have one (1) vote and approval of all matters shall require the affirmative vote of a majority of directors.

(d) Subject to the terms of this *Section 4*, from and after the date hereof, the Company shall take all action within its power to cause the covenants set forth in *Section 4(a)* and *Section 4(b)* to be fulfilled in all respects including: (i) causing the Investor Designees to be named in any proxy statement of the Company with respect to the election of members of the Board; (ii) soliciting the votes of stockholders in respect of the Investor Designees in the same manner and with the same level of effort as with the solicitation in respect of other members of the Board; (iii) seeking to amend any organizational documents of the Company necessary to give effect to the Investors' rights hereunder as may reasonably be requested by the Investors; and (iv) take all actions permitted by applicable law to cause the Investor Designees to be members of the Board (including the appointment of the Investor Designees to the Board).

(e) Subject to clause (f) immediately below, in the event that an Investor Designee ceases to serve on the Board for any reason (including the death, disability or resignation of such person), the Investors shall be entitled to appoint a new Investor Designee in the place of such person, and the terms of this *Section 4* shall apply equally to such replacement.

(f) In the event that the applicable threshold percentage of the Investors (and their Affiliates) falls below a threshold set forth in *Section 4(b)* such that the Investors shall lose the right to designate one or more Investor Designees, if one or more Investor Designee has been designated, the Investors shall identify which of the Investor Designees shall no longer be an Investor Designee (such person, a "*Departing Designee*"), and which Investor Designee(s) (if any) will remain as such; for the avoidance of doubt, the terms of this *Section 4* shall continue to apply to any Investor Designee who is not a Departing Designee. In the event of a Departing Designee, the Investors shall cause the removal or resignation of such Departing Designee prior to the next annual meeting of the Company shareholders, and the provisions of *Section 4(b)* and (c) shall not apply to such Departing Designee, and in connection therewith, the Company shall not be required to name such Departing Designee on its proxy statement or solicit votes in favor of such Departing Designee.

(g) For so long as the Investor holds the applicable threshold percentages set forth in *Section 4(b)*, in the event that any member of the Board other than the Company's Chief Executive Officer serves on the board of directors or similar governing body of any Subsidiary of the Company (a "*Subsidiary Board*") or in the event that any stockholder of the Company has appointed or designated a person to serve on a Subsidiary Board, the Investors shall be entitled to designate a number of Investor Designees to the Subsidiary Board equal to the greater of (x) one Investor Designee or (y) such other

number of Investor Designees such that the proportionate representation of Investor Designees on such Subsidiary Board approximates, as closely as possible, the proportionate representation of Investor Designees on the Board.

(h) Subject to applicable law and listing requirements, the Investor Designees shall be entitled to be a member of any committee of the Board (including an executive or similar committee).

(i) Notwithstanding any other provision of this Agreement, Section 4 shall terminate upon an assignment or transfer pursuant to Section 6(c); *provided, however*, that this Section 4(i) shall not apply if such transfer or assignment is to an Affiliate of the Purchaser.

5. *Information and Confidentiality.*

(a) For so long as Purchaser has the right to designate a director to the Board pursuant to this Agreement, the Company shall, and shall cause its Subsidiaries to, afford to Purchaser and its Representatives reasonable access, during normal business hours, in such manner as to not interfere with the normal operation of the Company and its Subsidiaries, to their respective properties, books, contracts, commitments, Tax Returns, records and appropriate officers and employees, and shall furnish Purchaser and its Representatives with financial and operating data and other information concerning the affairs of the Company and its Subsidiaries, in each case, as Purchaser and its Representatives may reasonably request; *provided*, that such access shall only be upon reasonable advance notice. In furtherance, and not in limitation of the foregoing, for so long as Purchaser owns any Company Common Stock or Warrants, the Company shall provide to Purchaser all information and documentation reasonably requested by Purchaser, within the periods reasonably requested by Purchaser, as is necessary for the Purchaser to complete and file all public filings required to be made by Purchaser under applicable Law and the rules and regulations of the Securities Exchange Commission.

(b) The Purchaser agrees that it will keep confidential and will not disclose or divulge any confidential information obtained from the Company pursuant to the terms of this Agreement, unless such confidential information (a) is known or becomes known to the public in general (other than as a result of a breach of this *Section 5* by the Purchaser), (b) is or has been independently developed or conceived by the Purchaser without use of the Company's confidential information, or (c) is or has been made known or disclosed to the Purchaser by a third party without a breach of any obligation of confidentiality such third party may have to the Company; *provided, however*, that the Purchaser may disclose confidential information (i) to its attorneys, accountants, consultants and other professionals to the extent necessary to obtain their services in connection with matters related to the Company; (ii) to any prospective purchaser of any Registrable Securities from the Purchaser, if such prospective purchaser agrees to be bound by the provisions of this *Section 5*; (iii) to any Affiliate or its or their general or limited partners, members, stockholders, employees, officers or directors, in the ordinary course of business, *provided* that the Purchaser informs such person that such information is confidential and directs such person to maintain the confidentiality of such information; or (iv) as may otherwise be required by law, regulation, rule, court order, arbitration order or subpoena, *provided* that the Purchaser promptly notifies the Company of such disclosure and takes reasonable steps to minimize the extent of any such required disclosure. The Purchaser acknowledges and agrees that the securities laws of the United States and other jurisdictions contain prohibitions on the trading in the securities of the Company while in possession of material nonpublic information regarding the Company, and agrees to comply with such restrictions.

6. *Miscellaneous.*

(a) *Amendments and Waivers.* This Agreement may be amended only by a writing signed by the Company and the Purchaser. The failure or delay in enforcing compliance at any time with respect to

any of the provisions, terms or conditions of this Agreement shall not be considered a waiver of such provision, term or condition itself or of any of the other provisions, terms or conditions hereof.

(b) *Notices.* All notices and other communications provided for or permitted hereunder shall be made as set forth in Section 9.1 of the Purchase Agreement.

(c) *Assignments and Transfers by the Purchaser.* The provisions of this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. The Purchaser may transfer or assign, in whole or from time to time in part, to one or more persons its rights hereunder in connection with the transfer of Registrable Securities by the Purchaser to such person, provided that the Purchaser complies with all laws applicable thereto and the provisions of the Purchase Agreement and the Warrant and provides written notice of assignment to the Company prior to such assignment or transfer being effected, and such transferee agrees in writing and as a condition to the receipt of Registrable Securities to be bound by all of the provisions contained herein.

(d) *Assignments and Transfers by the Company.* This Agreement may not be assigned by the Company (whether by operation of law or otherwise) without the prior written consent of the Purchaser; *provided, however,* that in the event that the Company is a party to a merger, consolidation, share exchange or similar business combination transaction in which the Company Common Stock are converted into the equity securities of another person, from and after the effective time of such transaction, such person shall, by virtue of such transaction, be deemed to have assumed the obligations of the Company hereunder, and the term "Company" shall be deemed to refer to such person and the term "Registrable Securities" shall be deemed to include the securities received by the Purchaser in connection with such transaction unless such securities are otherwise freely tradable by the Purchaser after giving effect to such transaction.

(e) *Benefits of the Agreement.* The terms and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties. Nothing in this Agreement, express or implied, is intended to confer upon any party other than the parties hereto or their respective successors and permitted assigns any rights, remedies, obligations, or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement.

(f) *Counterparts.* This Agreement may be executed in several counterparts, and by each party on separate counterparts, each of which and any photocopies or other electronic transmission (including by PDF) thereof shall be deemed an original, but all of which together shall constitute one and the same agreement.

(g) *Titles and Subtitles.* The titles and subtitles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

(h) *Severability.* Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof but shall be interpreted as if it were written so as to be enforceable to the maximum extent permitted by applicable law, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. To the extent permitted by applicable law, the parties hereby waive any provision of law which renders any provisions hereof prohibited or unenforceable in any respect.

(i) *Further Assurances.* The parties shall execute and deliver all such further instruments and documents and take all such other actions as may reasonably be required to carry out the transactions contemplated hereby and to evidence the fulfillment of the agreements herein contained.

(j) *Entire Agreement.* This Agreement is intended by the parties as a final expression of their agreement and intended to be a complete and exclusive statement of the agreement and understanding

of the parties hereto in respect of the subject matter contained herein. This Agreement supersedes all prior agreements and understandings between the parties with respect to such subject matter.

(k) *Specific Performance.* Without limiting remedies that may be available at law or in equity, the parties acknowledge that any failure by any party to comply with their respective obligations under this Agreement would result in material irreparable injury to the other party for which there is no adequate remedy at law, that it will not be possible to measure damages for such injuries precisely and that, in the event of any such failure, the non-breaching party may specifically enforce the breaching party's obligations under this Agreement without the need to show actual damages and without the need to post a bond or other security.

(l) *Governing Law; Consent to Jurisdiction; Waiver of Jury Trial.* This Agreement shall be governed by and construed in accordance with the internal laws of the State of Delaware without regard to the choice of law principles thereof. Each Party agrees that all legal proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Agreement (whether brought against a party hereto or its respective Affiliates, directors, officers, shareholders, employees or agents) shall be commenced exclusively in the state and federal courts sitting in the State of Delaware. Each party hereby irrevocably submits to the exclusive jurisdiction of such courts for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or other proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is improper or is an inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or other proceeding by mailing a copy thereof via registered or certified United States mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. THE PARTIES HEREBY WAIVE ALL RIGHTS TO A TRIAL BY JURY.

(b) *Suspension Period.* Notwithstanding any other provision of this *Section 2*, the Company shall have the right, but not the obligation, to defer the filing of (but not the preparation of), or suspend the use by the Holder of, any Registration Statement for the shortest period possible, in no event to exceed thirty (30) days (i) upon issuance by the Commission of a stop order suspending the effectiveness of such Registration Statement with respect to Registrable Securities or the initiation of proceedings with respect to such Registration Statement under Section 9(d) or 8(e) of the Securities Act; or (ii) if the Company believes in good faith that any such registration or offering would require the Company (after consultation with external legal counsel), under applicable securities laws and other laws, to make disclosure of material nonpublic information that would not otherwise be required to be disclosed at that time that would be materially adverse to the Company (any such period, a "*Suspension Period*"); *provided*, that in no event shall the Company declare Suspension Periods lasting more than 60 days in the aggregate in any twelve (12) month period. The Company shall (i) give prompt written notice to the Holder of its declaration of a Suspension Period and of the expiration or termination of the relevant Suspension Period and (ii) promptly resume the process of filing or requesting for effectiveness, or update the suspended Registration Statement, as the case may be, as may be necessary to permit the Holder to offer and sell its Registrable Securities in accordance with applicable law.

(c) *Required Information.* The Company may require the Holder of Registrable Securities as to which any Registration Statement is being filed or sale is being effected to furnish to the Company such information regarding the intended method of distribution of such securities and such other information relating to the Holder and its ownership of Registrable Securities as the Company may from time to time reasonably request in writing (*provided* that such information shall be used only in connection with such registration). The Holder agrees to furnish such information to the Company and to cooperate with the Company as reasonably necessary to enable the Company to comply with the provisions of this Agreement.

(d) *Cessation of Registration Rights.* All registration rights granted under this *Section 2* shall continue to be applicable with respect to the Holder until the Holder no longer holds any Registrable Securities.

3. *Registration Procedures.* The procedures to be followed by the Company and the Holder to register the sale of Registrable Securities pursuant to a Registration Statement in accordance with this

Agreement, and the respective rights and obligations of the Company and the Holder with respect to the preparation, filing and effectiveness of such Registration Statement, are as follows:

(a) The Company shall (i) prepare and file a Registration Statement with the Commission (within the time period specified in *Section 2(a)*) which Registration Statement (A) shall be on a form required by this Agreement (or if not so required, selected by the Company) for which the Company qualifies, (B) shall be available for the sale of the Registrable Securities in accordance with the intended method or methods of distribution, and (C) shall comply as to form in all material respects with the requirements of the applicable form and include and/or incorporate by reference all financial statements required by the Commission to be filed therewith, (ii) use its reasonable best efforts to cause such Registration Statement to become effective and remain effective for the period provided under *Section 2(a)*, (iii) use its reasonable best efforts to prevent the occurrence of any event that would cause a Registration Statement to contain a material misstatement or omission or to be not effective and usable for resale of the Registrable Securities registered pursuant thereto (during the period that such Registration Statement is required to be effective as provided under *Section 2(a)*), and (iv) cause each Registration Statement and the related Prospectus and any amendment or supplement thereto, as of the effective date of such Registration Statement, amendment or supplement, (x) to comply in all material respects with any requirements of the Securities Act and the rules and regulations of the Commission and (y) not to contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading (*provided, however*, the Company shall have no liability for any information furnished in writing by or on behalf of the Holder to the Company specifically for inclusion in (including by incorporation by reference) any such Registration Statement that has not been corrected in a subsequent writing to the Company prior to the filing or other disclosure of such information). The Company will, (1) at least three (3) Business Days prior to the anticipated filing of a Registration Statement or any related Prospectus or any amendment or supplement thereto (including any documents incorporated by reference therein), furnish to the Holder and its counsel copies of all such documents proposed to be filed and make such representatives of the Company as shall be reasonably requested by the Holder available for discussion of such documents, (2) use its reasonable best efforts to address in each such document prior to being so filed with the Commission such comments as the Holder or its counsel reasonably shall propose within two (2) Business Days of receipt of such copies by the Holder and (3) not file any Registration Statement or any related Prospectus or any amendment or supplement thereto containing information regarding the Holder to which the Holder objects, unless such information is required to comply with any applicable law or regulation.

(b) The Company will as promptly as reasonably practicable (i) prepare and file with the Commission such amendments, including post-effective amendments, and supplements to each Registration Statement and the Prospectus used in connection therewith as (A) may be reasonably requested by the Holder of Registrable Securities covered by such Registration Statement necessary to permit the Holder to sell in accordance with its intended method of distribution, including as may be required in connection with any underwritten distribution of Registrable Securities or (B) may be necessary under applicable law to keep such Registration Statement continuously effective with respect to the disposition of all Registrable Securities covered thereby for the period provided under *Section 2(a)* in accordance with the intended method of distribution and, subject to the limitations contained in this Agreement, prepare and file with the Commission such additional Registration Statements in order to register for resale under the Securities Act all of the Registrable Securities held by the Holder, (ii) cause the related Prospectus to be amended or supplemented by any required prospectus supplement, and as so supplemented or amended, to be filed pursuant to Rule 424, (iii) respond to any comments received from the Commission with respect to each Registration Statement or Prospectus or any amendment thereto, (iv) as promptly as reasonably practicable, provide the Holder true and complete copies of all correspondence from and to the Commission relating to such Registration Statement or Prospectus other than any comments that the Company determines in

good faith would result in the disclosure to the Holder of material non-public information concerning the Company that is not already in the possession of the Holder and (v) enter into such customary agreements (including, as applicable, underwriting agreements in customary form) and take all such other actions as the Holder the underwriters, if any, reasonably request in order to expedite or facilitate the disposition of Registrable Securities under such Registration Statement or Prospectus and otherwise to facilitate, cooperate with and participate in each proposed offering contemplated herein and customary selling efforts related thereto. The Company will comply in all material respects with the provisions of the Securities Act and the Exchange Act (including Regulation M under the Exchange Act) with respect to each Registration Statement and the disposition of all Registrable Securities covered by each Registration Statement.

(c) The Company will notify the Holder as promptly as practicable: (i)(A) when a Registration Statement, any pre-effective amendment, any Prospectus or any prospectus supplement or post-effective amendment to a Registration Statement is proposed to be filed; (B) when the Commission notifies the Company whether there will be a "review" of such Registration Statement and whenever the Commission comments on such Registration Statement (in which case the Company shall provide true and complete copies thereof and all written responses thereto to the Holder and its counsel, other than information which the Company determines in good faith would constitute material non-public information that is not already in the possession of the Holder); and (C) with respect to each Registration Statement or any post-effective amendment thereto, when the same has been declared effective; (ii) of any request by the Commission or any other federal or state governmental or regulatory authority for amendments or supplements to a Registration Statement or Prospectus or for additional information (whether before or after the effective date of the Registration Statement) or any other correspondence with the Commission or any such authority relating to, or which may affect, the Registration Statement; (iii) of the issuance by the Commission or any other governmental or regulatory authority of any stop order, injunction or other order or requirement suspending the effectiveness of a Registration Statement covering any or all of the Registrable Securities or preventing or suspending the use of any Prospectus or the initiation or threatening of any Proceedings for such purpose; (iv) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction, or the initiation or threatening of any Proceeding for such purpose; or (v) of the occurrence of any event that makes any statement made in such Registration Statement or Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or if, as a result of such event or the passage of time, such Registration Statement, Prospectus or other documents requires revisions so that, in the case of such Registration Statement or the Prospectus, as the case may be, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein (in the case of the Prospectus, in light of the circumstances under which they were made) not misleading, or if, for any other reason, it shall be necessary during such time period to amend or supplement such Registration Statement or Prospectus in order to comply with the Securities Act, which shall correct such misstatement or omission or effect such compliance.

(d) The Company will use its reasonable best efforts to avoid the issuance of, or, if issued, obtain the withdrawal of (i) any stop order or other order suspending the effectiveness of a Registration Statement, or preventing or suspending the use of any Prospectus, or (ii) any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction, as promptly as practicable, or if any such order or suspension is made effective during any Suspension Period, as promptly as practicable after the Suspension Period is over.

(e) During the Shelf Period, upon request of the Holder and without charge, the Company shall furnish to the Holder and its counsel, (i) promptly after the same is prepared and filed with the SEC, at least one copy of the Registration Statement and any amendment(s) thereto, including all documents

incorporated therein by reference and all exhibits to the extent requested by the Holder or its counsel, (ii) upon the effectiveness of any amendment(s) to a Registration Statement, a copy of the prospectus included in such Registration Statement and all amendments and supplements thereto (or such other number of copies as the Holder may reasonably request) and (iii) such other documents, including copies of any preliminary or final prospectus, as the Holder may reasonably request from time to time in order to facilitate the disposition of the Registrable Securities owned by the Holder.

(f) The Company will promptly deliver to the Holder and its counsel as many copies of each Prospectus or Prospectuses (including each form of prospectus) and each amendment or supplement thereto as the Holder or its counsel may reasonably request in order to facilitate the disposition of the Registrable Securities by the Holder. The Company hereby consents to the use of such Prospectus and each amendment or supplement thereto by the Holder in connection with the offering and sale of the Registrable Securities covered by such Prospectus and any amendment or supplement thereto, so long as the same are used in compliance with the Securities Act and all other applicable laws and regulations.

(g) To the extent that the Company has certificated shares of Company Common Stock, the Company will cooperate with the Holder to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be delivered to a transferee pursuant to a Registration Statement, which certificates shall be free of all restrictive legends indicating that the Registrable Securities are unregistered or unqualified for resale under the Securities Act, Exchange Act or other applicable securities laws, and to enable such Registrable Securities to be in such denominations and registered in such names as the Holder may request in writing. In connection therewith, if required by the Company's transfer agent, the Company will promptly, after the effective date of the Registration Statement, cause an opinion of counsel as to the effectiveness of the Registration Statement to be delivered to and maintained with such transfer agent, together with any other authorizations, certificates and directions required by the transfer agent which authorize and direct the transfer agent to issue such Registrable Securities without any such legend upon sale by the Holder of such Registrable Securities pursuant to the Registration Statement.

(h) Upon the occurrence of any event contemplated by *Section 3(d)(v)*, as promptly as practicable, the Company will prepare a supplement or amendment, including a post-effective amendment, if required by applicable law, to the affected Registration Statement or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated therein by reference, and file any other required document so that, as thereafter delivered, no Registration Statement nor any Prospectus will contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, in light of the circumstances under which they were made) not misleading, such that the Holder can resume disposition of such Registrable Securities covered by such Registration Statement or Prospectus.

(i) The Company will comply with all applicable rules and regulations of the Commission, the Trading Market and FINRA.

(j) The Holder agrees by its acquisition of Registrable Securities that, upon receipt of a notice from the Company of the occurrence of any event of the kind described in clauses (ii) through (v) of *Section 3(d)* or the occurrence of a Suspension Period, the Holder will forthwith discontinue disposition of such Registrable Securities under the applicable Registration Statement until the Holder's receipt of the copies of the supplemental Prospectus or amended Registration Statement or until it is advised in writing by the Company that the use of the applicable Prospectus may be resumed, and, in either case, has received copies of any additional or supplemental filings that are incorporated or deemed to be incorporated by reference in such Prospectus or Registration Statement. In the event the Company shall give any such notice, the period during which the applicable Registration Statement is required to be maintained effective shall be extended by the number of days during the period from and including the date of the giving of such notice to and including the date when the Holder either receives the copies of the supplemented Prospectus or amended Registration Statement or is advised in writing by the Company that the use of the Prospectus may be resumed.

(k) If such Registrable Securities are to be sold by any method or in any transaction other than on a national securities exchange or in the over-the-counter market, in privately negotiated transactions, or in a combination of such methods, the Holder shall notify the Company at least five (5) Business Days prior to the date on which the Holder first offers to sell any such Registrable Securities.

4. Registration Expenses. All Registration Expenses incurred in connection with any registration, qualification, exemption or compliance pursuant to Section 2.1(a) hereof shall be borne by the Company.

5. Indemnification.

(a) To the fullest extent permitted by law, the Company shall indemnify and hold harmless the Holder, its partners, stockholders, equity holders, general partners, managers, members and Affiliates and each of their respective officers and directors and any Person who controls the Holder (within the meaning of the Securities Act or the Exchange Act) and any employee or Representative thereof (each, a "Company Indemnified Person" and collectively, "Company Indemnified Persons"), from and against any and all losses, claims, damages, liabilities, joint or several, costs (including reasonable costs of preparation and reasonable attorneys', accountants' and experts' fees) and expenses, judgments, fines, penalties, interest, settlements or other amounts arising from any claims, demands, actions, suits or proceedings, whether civil, criminal, administrative or investigative, in which any Company Indemnified Person may be involved, or is threatened to be involved, as a party or otherwise, under the Securities Act, the Exchange Act or otherwise (collectively, "Losses"), as incurred, arising out of, based upon, resulting from or relating to (i) any untrue or alleged untrue statement of a material fact contained in any Registration Statement under which any Registrable Securities were registered, Prospectus (including in any preliminary prospectus (if used prior to the effective date of such Registration Statement)), or in any summary or final prospectus or in any amendment or supplement thereto or in any documents incorporated or deemed incorporated by reference in any of the foregoing or (ii) any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements made therein (in the case of the Prospectus, in light of the circumstances under which they were made) not misleading, or (iii) any violation or alleged violation by the Company or any of its Subsidiaries of the Securities Act, the Exchange Act, any state securities law or any rule or regulation promulgated under the Securities Act, the Exchange Act or any federal, state, foreign or common law rule or regulation in connection with such Registration Statement, disclosure document or related document or report or any offering covered by such Registration Statement, and the Company shall reimburse such Company Indemnified Person for any reasonable legal or other expenses reasonably incurred by it in connection with investigating or defending any such Loss, claim, damage, liability, demand, action, suit or proceeding (the matters in the foregoing clauses (i) through (iii) being, collectively, "Company Violations"). Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 5(a): (A) shall not apply to a Loss by a Company Indemnified Person arising out of or based upon a Company Violation which occurs in reliance upon and in conformity with information furnished in writing to the Company by the Holder or such Company Indemnified Person expressly for use in connection with the preparation of such Registration Statement, such preliminary, summary or final prospectus or such amendment or supplement, or other disclosure document; (B) with respect to any superseded prospectus, shall not inure to the benefit of any such person from whom the person asserting any such Loss purchased the Registrable Securities that are the subject thereof (or to the benefit of any other Company Indemnified Person) if the untrue statement or omission of material fact contained in the superseded prospectus was corrected in the revised prospectus, as then amended or supplemented, if such revised prospectus was timely made available by the Company pursuant to Section 3(f), and the Company Indemnified Person was promptly advised in writing not to use the incorrect prospectus prior to the use giving rise to a violation; (C) shall not be available to the extent such Loss is based on a failure of the Holder to deliver, or to

cause to be delivered, the prospectus made available by the Company, if such prospectus was theretofore made available by the Company pursuant to Section 3(f); and (D) shall not apply to amounts paid in settlement of any Loss if such settlement is effected without the prior written consent of the Company, which consent shall not be unreasonably withheld, conditioned or delayed.

(b) In connection with any Registration Statement filed by the Company pursuant to *Section 2(a)* hereof in which the Holder has registered for sale its Registrable Securities, the Holder agrees to indemnify and hold harmless, to the fullest extent permitted by law, the Company, its directors and officers, employees, agents and each Person who controls the Company (within the meaning of the Securities Act or the Exchange Act) (collectively, "*Holder Indemnified Persons*," and together with the Company Indemnified Persons, each an "*Indemnified Person*," and collectively, the "*Indemnified Persons*") from and against any Losses resulting from (i) any untrue or alleged untrue statement of a material fact contained in any Registration Statement under which such Registrable Securities were registered or sold under the Securities Act, Prospectus (including in any preliminary prospectus (if used prior to the effective date of such Registration Statement)), or in any summary or final prospectus or in any amendment or supplement thereto or in any documents incorporated by reference in any of the foregoing, (ii) any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of the Prospectus, in light of the circumstances under which they were made) not misleading, or (iii) any violation or alleged violation by the Holder of any federal, state or common law rule or regulation relating to action or inaction in connection with any information provided by the Holder in such registration, disclosure document or related document or report in the case of clauses (i) and (ii) to the extent, but only to the extent, that such untrue statement or omission occurs in reliance upon and in conformity with any information furnished in writing by or on behalf of the Holder specifically for inclusion in such registration, disclosure document or related document or report and has not been corrected in a subsequent writing prior to the sale of the Registrable Securities thereunder, and the Holder will reimburse the Company for any legal or other expenses reasonably incurred by it in connection with investigating or defending such Losses. In no event shall the liability of the Holder hereunder be greater in amount than the dollar amount of the net proceeds (after deducting the underwriters' discounts and commissions) received by the Holder under the sale of Registrable Securities giving rise to such indemnification obligation.

(c) Any Indemnified Person under paragraph (a) or (b) of this *Section 5* shall (i) give prompt written notice to the indemnifying person under paragraph (a) or (b) of this *Section 5* of any claim with respect to which it seeks indemnification (*provided* that any delay or failure to so notify the indemnifying person shall not relieve the indemnifying party of its obligations hereunder except to the extent, if at all, that the indemnifying person's ability to defend such claim (through the forfeiture of substantive rights or defenses) is actually and materially prejudiced by reason of such delay or failure) and (ii) permit such indemnifying person to assume the defense of such claim with counsel reasonably satisfactory to the Indemnified Person; *provided, however*, that any Indemnified Person shall have the right to select and employ separate counsel and to participate in the defense of such claim, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (A) the indemnifying person has agreed in writing to pay such fees or expenses, (B) the Indemnified Person has reasonably concluded (based upon advice of its counsel) that there may be legal defenses available to it or other Indemnified Persons that are different from or in addition to those available to the indemnifying person, or (C) in the reasonable judgment of any such Indemnified Person (based upon advice of its counsel) a conflict of interest may exist between such Indemnified Person and the indemnifying person with respect to such claims (in which case, if the Indemnified Person notifies the indemnifying person in writing that such Indemnified Person elects to employ separate counsel at the expense of the indemnifying person, the indemnifying person shall not have the right to assume the defense of such claim on behalf of such Indemnified Person). If any action is settled or if there be a final judgment for the plaintiff, the indemnifying person agrees to indemnify each Indemnified Person

from and against any Losses by reason of such settlement or judgment. No action may be settled without the written consent of the Indemnified Person, *provided* that the consent of the Indemnified Person shall not be required if (x) such settlement includes an unconditional release of such Indemnified Person in form and substance satisfactory to such Indemnified Person from all liability on the claims that are the subject matter of such settlement; (y) such settlement provides solely for the payment by the indemnifying person of money as the sole relief for such action and (z) such settlement does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person. It is understood that the indemnifying person or persons shall not, except as specifically set forth in this *Section 5(c)*, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees, disbursements or other charges of more than one separate firm (in addition to any local counsel that is required to effectively defend against any such proceeding) for all Indemnified Persons and that all such fees and expenses shall be paid or reimbursed promptly.

(d) If the indemnification provided for in this *Section 5* is held by a court of a competent jurisdiction to be unavailable to an Indemnified Person with respect to any loss, damage, claim or liability, the indemnifying party, in lieu of indemnifying such Indemnified Person thereunder, shall to the extent permitted by law, contribute to the amount paid or payable by such Indemnified Person as a result of such loss, damage, claim or liability in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the Indemnified Person on the other in connection with the actions that resulted in such loss, claim, damage or liability, as well as any other relevant equitable considerations. The relative fault of the indemnifying person and of the Indemnified Person shall be determined by a court of law by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact relates to information supplied by the indemnifying person or Indemnified Person and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Parties agree that it would not be just and equitable if contribution pursuant to this *Section 5(d)* were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in the immediately preceding sentences. Notwithstanding the provisions of this *Section 5(d)*, the Holder shall not be required to contribute any amount in excess of the net proceeds (after deducting the underwriters' discounts and commissions) received by the Holder under the sale of Registrable Securities giving rise to such indemnification obligation. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

(e) The remedies provided for in this *Section 5* are not exclusive and shall not limit any rights or remedies which may otherwise be available to any Indemnified Person at law or in equity. The obligations of the Company and the Holder under this *Section 5* shall survive completion of any offering of Registrable Securities pursuant to a Registration Statement and the termination of this Agreement.

6. Facilitation of Sales Pursuant to Rule 144. The Company shall timely file the reports required to be filed by it under the Exchange Act or the Securities Act and the rules adopted by the Commission thereunder (including the reports under Sections 13 and 15(d) of the Exchange Act referred to in subparagraph (c)(1) of Rule 144), all to the extent required from time to time to enable the Holder to sell Registrable Securities without registration under the Securities Act within the limitations of the exemption provided by Rule 144. Upon the written request of the Holder in connection with that Holder's sale pursuant to Rule 144, the Company shall deliver to the Holder a written statement as to whether it has complied with such requirements.

7. Registration Rights Covenant. The Company covenants that it will not, and it will cause its Subsidiaries not to, grant any right of registration under the Securities Act to any Person other than

pursuant to this Agreement, unless the rights so granted to another Person do not limit or restrict the rights of the Holder hereunder.

8. Miscellaneous.

(a) *Remedies.* In the event of a breach by the Company or the Holder of any of its obligations under this Agreement, any Party, in addition to being entitled to exercise all rights granted by law and under this Agreement, including recovery of damages, will be entitled to specific performance of its rights under this Agreement. The Parties agree that monetary damages would not provide adequate compensation for any losses incurred by reason of a breach by the Company of any of the provisions of this Agreement and further agree that, in the event of any action for specific performance in respect of such breach, the Company shall waive the defense that a remedy at law would be adequate and shall waive any requirement for the posting of a bond. No failure or delay by any Person in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

(b) *Amendment; Modification; Waivers.* This Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed by the Company and the Holder, which writing shall specifically reference this Agreement, specify the provision(s) hereof that it is intended to amend or waive and further specify that it is intended to amend or waive such provision(s).

(c) *Notices.* All notices and other communications in connection with this Agreement shall be in writing and shall be deemed given if delivered personally, sent via electronic mail (with confirmation), mailed by registered or certified mail (return receipt requested) or delivered by an express courier (with confirmation) to the Parties at the following addresses (or at such other address for a Party as may be specified by like notice):

(d) *Governing Law; Jurisdiction; Waiver of Jury Trial.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws. In any action or proceeding between any of the parties arising out of or relating to this Agreement, each of the parties: (a) irrevocably and unconditionally consents and submits to the exclusive jurisdiction and venue of the Delaware Chancery Court or, to the extent such court does not have subject matter jurisdiction, the United States District Court sitting in the State of Delaware; (b) agrees that all claims in respect of such action or proceeding shall be heard and determined exclusively in accordance with clause (a) of this Section 7(d); (c) waives any objection to laying venue in any such action or proceeding in such courts; (d) waives any objection that such courts are an inconvenient forum or do not have jurisdiction over any party hereto; and (e) irrevocably and unconditionally waives the right to trial by jury.

(e) *Successors and Assigns.* This Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, executors, administrators, successors, legal representatives and permitted assigns. The Holder may not assign its rights under this Agreement without the prior written consent of the Company

(f) *Waiver of Venue.* The Parties irrevocably and unconditionally waive, to the fullest extent permitted by applicable law, (i) any objection that they may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement in any court referred to in Section 7(d) and (ii) the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(g) *Waiver of Trial by Jury.* EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PERSON HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PERSON MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF THE OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) SUCH PERSON UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) SUCH PERSON MAKES THIS WAIVER VOLUNTARILY, AND (iv) SUCH PERSON HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND EACH ANCILLARY AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

(h) *Severability.* The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision hereof shall not affect the validity or enforceability of any other provision. Whenever possible, each provision or portion of any provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this

Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (i) a suitable and equitable provision shall be substituted therefor to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (ii) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction; *provided*, that, if any one or more of the provisions contained in this Agreement shall be determined to be excessively broad as to activity, subject, duration or geographic scope, it shall be reformed by limiting and reducing it to the minimum extent necessary, so as to be enforceable under applicable law.

(i) *Business Days.* If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall be a day other than a Business Day, then such action may be taken or such right may be exercised on the next succeeding Business Day.

(j) *Entire Agreement.* This Agreement constitutes the entire agreement among the Parties with respect to the subject matter hereof and supersedes all prior contracts or agreements with respect to the subject matter hereof and supersedes any and all prior or contemporaneous discussions, agreements and understandings, whether oral or written, that may have been made or entered into by or among any of the Parties or any of their respective Affiliates relating to the transactions contemplated hereby.

(k) *Execution of Agreement.* This Agreement may be executed and delivered (by facsimile, by electronic mail in Adobe Portable Document Format (.pdf) or otherwise) in any number of counterparts, each of which, when executed and delivered, shall be deemed an original, and all of which together shall constitute the same agreement.

(l) *Determination of Ownership.* In determining ownership of Company Common Stock hereunder for any purpose, the Company may rely solely on the records of the transfer agent for the Company Common Stock from time to time, or, if no such transfer agent exists, the Company's stock ledger.

(m) *No Recourse.* Notwithstanding anything that may be expressed or implied in this Agreement, each Party covenants, agrees and acknowledges that no recourse under this Agreement or any documents or instruments delivered in connection with this Agreement shall be had against any of the Company's or the Holder's former, current or future direct or indirect equity holders, controlling persons, stockholders, directors, officers, employees, agents, Affiliates, members, financing sources, managers, general or limited partners or assignees (each, a "*Related Person*" and collectively, the "*Related Persons*"), in each case other than the Company, the Holder or any of their respective permitted assigns under this Agreement, whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any applicable law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any of the Related Persons, as such, for any obligation or liability of the Company or the Holder under this Agreement or any documents or instruments delivered in connection herewith for any claim based on, in respect of or by reason of such obligations or liabilities or their creation; *provided, however*, nothing in this *Section 7(m)* shall relieve or otherwise limit the liability of the Company or the Holder, as such, for any breach or violation of its obligations under this Agreement or such agreements, documents or instruments. For the avoidance of doubt, none of the Parties will have any recourse, be entitled to commence any proceeding or make any claim under this Agreement or in connection with the transactions contemplated hereby except against any of the Parties or their respective successors and permitted assigns, as applicable.

(n) *Third-Party Beneficiaries.* Nothing in this Agreement, express or implied, is intended to confer upon any Person other than a Party and its successors and permitted assigns any rights, benefits or remedies of any nature whatsoever.

(o) *Headings; Section References; Signatories.* All heading references contained in this Agreement are for convenience purposes only and shall not be deemed to limit or affect any of the provisions of this Agreement.
