**Item 2. Identity and Background**

**Item 3. Source and Amount of Funds or Other Consideration**

AstraZeneca, through its wholly-owned subsidiary, AstraZeneca AB, acquired from the Issuer 246,666 shares of Common Stock in the Issuer's initial public offering (the "IPO") at the public offering price of \$15.00 per share. The IPO was completed on September 28, 2018. The total consideration paid by AstraZeneca AB for these shares was \$3,699,990, and such consideration was obtained from the available cash resources of AstraZeneca AB.

---

Upon the closing of the IPO, AstraZeneca AB also acquired 1,616,166 shares of Common Stock that were issued upon conversion of 33,499,900 shares of series A preferred stock of the Issuer (the "Series A Preferred Stock") owned by AstraZeneca AB. The number of shares of Common Stock issued upon conversion of the Series A Preferred Stock reflected the application of the applicable conversion ratio as set forth in the Issuer's amended and restated certificate of incorporation in effect immediately prior to the closing of the IPO. The Series A Preferred Stock was convertible at any time at the option of AstraZeneca AB and converted automatically, without payment of consideration, upon closing of the IPO. The consideration for the shares of Series A Preferred Stock owned by AstraZeneca AB consisted of property and equipment, clinical materials, intellectual property and cash which was obtained from the available cash resources of AstraZeneca AB.

Also upon closing of the IPO, AstraZeneca AB acquired 302,019 shares of Common Stock in satisfaction of the Issuer's obligation to pay all accrued and unpaid dividends on the Series A Preferred Stock (the "Series A Dividends") at the time the Series A Preferred Stock converted into common stock. The number of shares of Common Stock issued to AstraZeneca AB in satisfaction of the obligation to pay the accrued and unpaid Series A Dividends was determined based on the IPO price of the Common Stock, as set forth in the Issuer's amended and restated certificate of incorporation in effect immediately prior to the closing of the IPO. The issuance of Common Stock in payment of the Series A Dividends occurred upon closing of the IPO without the payment of any consideration by AstraZeneca AB.

AstraZeneca AB also acquired four shares of Common Stock that were issued upon conversion of 100 ordinary shares of the Issuer owned by AstraZeneca AB in connection with the Issuer's spin-out from AstraZeneca AB, which occurred in May 2015. The total consideration paid by AstraZeneca AB for these shares was \$100, and such consideration was obtained from the available cash resources of AstraZeneca AB.

#### **Item 4. Purpose of Transaction**

The Issuer was spun out from AstraZeneca AB in May 2015, at which time the Issuer entered into a Business Transfer and Subscription Agreement (the "Business Transfer Agreement") with AstraZeneca AB, AstraZeneca UK Limited and AstraZeneca Pharmaceuticals LP, which was amended and restated in March 2016 and further amended in August 2017 and January 2018. Under the Business Transfer Agreement, the Issuer obtained, among other things, worldwide rights to the drugs ETX2514, ETX0282 and zoliflodacin. Pursuant to the terms of the Business Transfer Agreement, AstraZeneca AB purchased 33,499,900 A preference shares (subsequently exchanged for shares of Series A Preferred Stock) in consideration for property and equipment, clinical materials, intellectual property and net cash proceeds of \$23.3 million. The Issuer also agreed to pay AstraZeneca a one-time milestone payment of \$5.0 million within three months of achieving a specified cumulative net sales milestone for ETX2514. This milestone payment will be automatically waived should the Issuer's common stock trade on Nasdaq at or above a specified price at the time the Issuer achieves such specified cumulative net sales milestone for ETX2514, subject to adjustment for share splits, dividends and other similar events. The Issuer is also obligated to pay AstraZeneca AB a one-time milestone payment of \$10.0 million within two years of achieving the first commercial sale of zoliflodacin. Following the achievement of either milestone, the Issuer may not pay dividends or make other distributions to any of its stockholders until the applicable milestone payment has been paid in full. If the Issuer's board of directors deems the milestone payment obligation related to zoliflodacin to be significantly burdensome, AstraZeneca AB is required to explore in good faith modifications to the timing of such payment. At the Issuer's election, either milestone payment may be paid in cash, shares of Common Stock, or a combination of cash and stock. Additionally, the Issuer is obligated to pay AstraZeneca AB certain royalties on sales of ETX2514 and zoliflodacin. The Issuer is required to use diligent efforts to achieve the first commercial sale of zoliflodacin and to commercialize, market, promote and sell zoliflodacin and ETX2514. Under the Business Transfer Agreement, the Issuer also granted AstraZeneca AB a non-exclusive, non-transferrable license to use the transferred intellectual property solely for internal research and development purposes unrelated to the field of small molecule anti-infectives. The amended and restated Business Transfer Agreement and the amendments thereto are incorporated by reference to Exhibits 10.1, 10.2 and 10.3 of the Issuer's Amendment No. 1 to the Registration Statement on Form S-1 (File No. 333-226920) filed with the SEC on September 18, 2018.

---

In connection with the IPO, AstraZeneca AB entered into a lock-up agreement (the “Lock-Up Agreement”), a copy of which is attached hereto as Exhibit 2, with Credit Suisse Securities (USA) LLC and BMO Capital Markets Corp. (in their capacity as representatives of the several underwriters for the IPO (the “Representatives”). Pursuant to the Lock-Up Agreement, AstraZeneca AB has agreed that for a period of 180 days following the date of the Final Prospectus, subject to specified exceptions, it will not, without the prior written consent of the Representatives, offer, sell, contract to sell, pledge or otherwise dispose of, directly or indirectly, any of the Common Stock or securities convertible into or exchangeable or exercisable for any Common Stock, enter into a transaction which would have the same effect, or enter into any swap, hedge or other arrangement that transfers, in whole or in part, any of the economic consequences of ownership of the Common Stock or other such securities, whether any such aforementioned transaction is to be settled by delivery of the Common Stock or such other securities, in cash or otherwise, or publicly disclose the intention to make any such offer, sale, pledge or disposition, or to enter into any such transaction, swap, hedge or other arrangement.

The Reporting Persons intend to continue to review their investment in the Issuer on an ongoing basis and, depending on various factors, including, without limitation, the Issuer’s financial position, the price of the Common Stock, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may, in the future, take such actions with respect to their shares of Common Stock as they deem appropriate, including, without limitation: purchasing additional shares of Common Stock; selling shares of Common Stock; taking any action to change the composition of the Issuer’s board of directors; taking any other action with respect to the Issuer or any of its securities in any manner permitted by law or changing their intention with respect to any and all matters referred to in paragraphs (a) through (j) below in this Item 4.

Except as otherwise described in this Statement, none of the Reporting Persons currently has any plans or proposals that relate to or would result in: (a) the acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer’s business or corporate structure; (g) any changes in the Issuer’s charter or bylaws or other actions which may impede the acquisition of control of the Issuer by any person; (h) causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an interdealer quotation system of a registered national securities association; (i) causing a class of equity securities of the Issuer to become eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended; or (j) any action similar to any of those enumerated above.

For purposes of this Lock-Up Agreement, a "Family Member" shall mean any relationship by blood, marriage, domestic partnership or adoption, not more remote than first cousin.

In furtherance of the foregoing, the Company and its transfer agent and registrar are hereby authorized to decline to make any transfer of Securities if such transfer would constitute a violation or breach of this Lock-Up Agreement.

If the undersigned is an officer or director of the Company, the undersigned further agrees that the foregoing restrictions in this Lock-Up Agreement shall be equally applicable to any issuer-directed Securities the undersigned may purchase in the above-referenced offering.

If the undersigned is an officer or director of the Company, (i) the Representatives agree that, at least three business days before the effective date of any release or waiver of the foregoing restrictions in connection with a transfer of Securities, the Representatives will notify the Company of the impending release or waiver, and (ii) the Company has agreed in the Underwriting Agreement to announce the impending release or waiver by press release through a major news service at least two business days before the effective date of the release or waiver. Any release or waiver granted by the Representatives hereunder to any such officer or director shall only be effective two business days after the publication date of such press release. The provisions of this paragraph will not apply if (a) the release or waiver is effected solely to permit a transfer not for consideration and (b) the transferee has agreed in writing to be bound by the same terms described in this Lock-Up Agreement to the extent and for the duration that such terms remain in effect at the time of the transfer.

In the event that during the Lock-Up Period, the Representatives release or waive any prohibition on the transfer of Securities held by any director or executive officer of the Company or any person or entity that beneficially owns 3.0% or more of the outstanding Securities, the same percentage of Ordinary Shares held by the undersigned (i.e., the total number of Ordinary Shares owned by the undersigned on the date of the early release, multiplied by a fraction, the numerator of which shall be the number of Ordinary Shares of the Company initially being granted an early release and the denominator of which shall be the total number of Ordinary Shares of the Company owned by the record or beneficial owner initially being granted an early release on the date thereof) (the "**Pro-rata Release**") shall be immediately and fully released, without any further action, on the same terms from any remaining lockup restrictions set forth herein; provided, however, that such Pro-rata Release shall not be applied in the event the Representatives release employees of the Company from such lock-up restrictions in an amount less than or equal to \$5,000,000 in aggregate value of Ordinary Shares (the value of such Ordinary Shares to be determined based on the closing price on the date that the Ordinary Shares are approved for release). The Representatives shall use reasonable efforts to promptly notify the Company of each such release (provided that the failure to provide such notice shall not give rise to any claim or liability against the Representatives or the Underwriters). The undersigned further acknowledges that the Representatives are under no obligation to inquire into whether, or to ensure that, the Company notifies the undersigned of the delivery by the Representatives on behalf of the Underwriters of any such notice, which is a matter between the undersigned and the Company.
